Summary
Surf Life Saving Central Coast wishes to provide information about the upcoming 2009 Education Field Day

Dates: Saturday 19th September, 2009

Venue: Toowoona Bay SLSC

Time: 10.00am – 4.00pm

Food: Lunch, Tea & Coffee will be provided

Surf Life Saving Central Coast wishes to invite all Training Officers, Assessors, Facilitators, Chief Training Officers and any other interested parties to attend their annual Education Field Day, which has been organised on the above date to explain Education Requirements for the 2009/10 season.

This day is compulsory for anyone who wishes to Train, Assess, or Facilitate an award on the Central Coast next season. It has been developed by the Board of Education (BEC) team with an aim to improve the efficiency and effectiveness of education on the Central Coast. It is also a requirement of SLSNSW that every Trainers, Assessors, and Facilitator take part in re-endorsement process.

Whilst a formal agenda will be sent out to all applicants at a later date, some of the areas that will be covered include;

1. Overview of education position roles and responsibilities
2. Introduction of the new 33rd Edition Training Manual
3. 2009/10 Proficiency Requirement
4. Procedure for trainer and assessor re-endorsement.
5. Updated resources
6. SLSNSW Education Pride Campaign
7. Trainer and Assessor Proficiencies

Please note: It is compulsory for all SLSCC affiliated Trainer, Assessors, and Facilitators to attend this day. If anyone can not attend and fails to contact Rick Walker for alternative options they will not be able to Train, Assess, or Facilitate in the 2009/10 season.

As you will also be taking part in ARC, Defib, and Spinal Proficiencies on the day it is imperative that you bring swimmer/wetsuits to complete the water components as required by the SLSNSW proficiency guidelines.

You will find a Registration Form Attached. Each person attending this event is urged to have this completed and returned to the Branch Office by Friday 11th September, 2009.
