---------	--

Surf Life Saving Central Coast is seeking nominations for the 2018-2019 Newcastle Permanent Junior Lifesaver of the Year award. The award is an ideal opportunity for Clubs to recognise their Under 14 member's achievements in Surf Life Saving and the contributions they have made to Surf Life Saving at all levels and in the community.

All under 14 members who believe they could be the next Junior Lifesaver of the Year should apply through their Club. The male and female Branch winners will then progress to the SLSNSW Junior Lifesaver of the Year Development Camp as per the [SLSNSW Circular 3579: 2018/19 Junior Lifesaver of the Year](#).

Please note nominees must have completed their SRC, be financial and proficient to be eligible for the Junior Lifesaver of the Year award.

**Successful applicants will need to be available for an interview on Friday 18<sup>th</sup> January 2019.**

### **The Nomination Process**

Clubs are invited to submit one female and one male nominee for the 2018-2019 SLSCC Junior Lifesaver of the Year award. Nominations must be completed with questionnaire and medical information attached. (*Resumes will not be considered by the judges, and should not be included with the nomination forms*). All nominations are to be endorsed by clubs and returned to Surf Life Saving Central Coast by **Friday 4<sup>th</sup> January 2019**.

### **The Interview Process**

The interview process is divided up into a theory test, signals, a scenario and an interview which will be conducted by independent SLSCC assessors/personnel and Newcastle Permanent staff.
