Central Coast Council have advised that all beaches will remain closed for the weekend 27th and 28th March 2021 due to water quality, debris and risk.

For all clubs please ensure that patrols are aware of this position and that Surf Life Saving will follow suit with keeping beaches closed.

All club activities including training and events should also be cancelled due to risk.

Patrols will remain in a surveillance capacity and rescue ready.

For any questions please contact Central Coast Branch Director of Life Saving Simon Cusack on 0418 209 051
