Summary	2021 SLSCC Awards of Excellence prize "Wish List".
Objective	To provide all SLSCC Surf Clubs with an opportunity to request desirable prizes for the 2021 SLSCC Awards of Excellence.
Action	Clubs are to return the completed Wish List table to office@slscc.com.au by Sunday 16th May 2021.

The annual Surf Life Saving Central Coast Awards of Excellence is a wonderful opportunity for Surf Clubs to acknowledge their valuable members and indeed be recognised themselves for achievements throughout the 2020-21 season.

In order to ensure each club receives appropriate and desired prizes, should they be a recipient on the night, SLSCC would like to request all clubs complete and return the below "Wish List" of possible prize options based on the needs of their individual club. Whilst we cannot guarantee the prize list will be fulfilled, SLSCC will attempt to do so where possible. Below is a list of suggested items, however clubs are strongly encouraged to think 'outside the square' and add additional items (*not already listed*) that they feel would be beneficial to them in the blank columns provided below.

Further items/ideas can be found via the [SLSA Online Surf Shop](#) or [SLNSW Online Shop](#).
