SLSCC wishes to remind all clubs to review their Covid safety protocol. This includes ensuring:

- A Covid Safety plan is in place.
- A Covid Safety Officer is appointed and oversees all Covid Safety issues.
- The Club operates a QR code sign in for everyone entering the club using the Service NSW QR Code Sign in.
- Social distancing requirements are maintained and limits of capacity of indoor spaces adhered to.

All clubs should ensure that the Covid Safety Officer and management team regularly review the current guidelines including locations for mask wearing indoors and current Covid hotspots and ensure that club users have access to the latest updates, which can be found on the NSW Health Website here:
