Audience: Club Presidents, Directors of Lifesaving, Directors of Administration

Actioned By: Simon Cusack – Director of Lifesaving

Date: 20 July 2021

Contact: Julie-Ann – Support Officer
Phone: 4353 0299
Email: support@slscc.com.au

Summary	Oxygen resuscitation equipment servicing arrangements for clubs
---------	---

SLSCC has arranged, on behalf of clubs, the annual service and preventative maintenance of Oxygen resuscitation.

Clubs are requested:

- Clean obvious sand, dirt and corrosion from the oxy equipment
- Ensure SurfGuard records are correct for all equipment delivered
- Include valves and reservoirs (no consumables)
- **Label ALL Oxy Vivas** and removable components with club name

Costs and Invoices:

- Due to Covid-19 council has not yet released their funding, Clubs may need to cover the cost of their Oxy servicing.
- Clubs will be contacted for approval of any additional costs.
- If you miss the below deadline you will be responsible for servicing your own equipment.
- Please confirm via email when you will be dropping off Oxy Vivas

Dates:

25 Aug 2021 Final day for clubs to drop Oxy Vivas at SLSCC HQ, Tuggerah.
27 Aug 2021 Clubs to pick up Oxy Vivas from SLSCC HQ, Tuggerah

Note: Terrigal and Toowoan Bay units do not need to be brought into Branch as they have been serviced on site along with council's oxy viva

Please contact Julie-Ann on 0421 222 908 or support@slscc.com.au for further information

Kind Regards

Simon Cusack
Director of Lifesaving
