Summary	The JAC Conference is on Saturday 4 th September 2021. The JAC Conference provides Junior Activities Committees with the latest season information and identifies key areas of importance for the season ahead. It also provides an opportunity for club committee members to network and discuss relevant topics with other clubs.
Actions	Forward invitation to relevant club members and register for the event. Registrations close Sunday 29 th August 2021. To register click here

The JAC Conference is on Saturday 5th September 2021. The conference provides Junior Activities Committees with the latest season information and identifies key areas of importance for the season ahead. It also provides an opportunity for club committee members to network and discuss relevant topics with other clubs.

The Conference will be run in four sessions, each session providing relevant material to the intended audience. A list of the relevant position holders and topics are listed below. Between each session, there will be a 10- 15min break for presenters and attendees to refresh and set up for the next session. To encourage participation at this conference SLSCC have put together a conference program which can be found on the SLSCC Website – [Click here](#).

Registrations are required to ensure information relating to the conference can be sent to all relevant members prior to the conference commencement. This will ensure all members have the latest updates for the conference. To register – [Click here](#)
