After consideration and consultation with Surf Life Saving Central Coast Boat Manager Shane Walker and the SLSCC Branch Council, the entry fee for the series has been reduced to \$60 per competitor or \$300 per crew. To do so the shirt originally proposed has been removed. There will be no further changes in the pricing for this series for this current season

The Central Coast and Hunter Boat Series commences in December in line with proposed calendar.

As instructed by NSW Health Orders we will need to take reasonable steps to ensure only **fully vaccinated** people are in attendance at the December carnivals or until further advice from NSW Health.

Anyone 16 and over needs to show proof of vaccinations to be able to compete/spectate until NSW reaches 95% double vaccination or on 15 December.

Please contact SLSCC directly on 43530299 with any further enquiries.
