We are excited to attach the Newcastle Permanent U8-U15 Junior carnival program to be held at Terrigal on the 5th December 2021.

With feedback received from last season, a new program format is in place to ensure that the carnival runs as efficiently as possible, and with an aim to limit time at the carnival.

The carnival will be split into two time slots based on age groups as follows:-

- U8-U11 with start time at 7am and finish time of 11.30am
- U12-U15 with start time at 11.30am with a finish time of 4pm

Please note that the Cameron Relay will replace Board Rescue at the next carnival. These events will only run if they fit into the time allocated in the program.

Events will be held concurrently and competitors may have to choose between water and beach competition. There will be no waiting for competitors from other areas.

As per the NSW Health Guidelines, all individuals 16 and over will require proof of vaccination and QR code in, to be in attendance at the carnival. Can you please let all competitors and spectators know of this requirement

When each competitor has their name marked off they will need a parent/guardian there to QR code them in.

SLSCC will run a zoom meeting next Wednesday at 7pm and encourage JAC /team managers to join to understand what is expected on the carnival day with sign in and final event information. We will send out under separate advice a meeting request to all JAC's with the below link included. This can then be sent to any team managers for inclusion.
