SLSCC is excited to be able to return to the beaches and run our community education program through 2022. The program delivers surf safety education to 1000's of Central Coast school children each year and is a vital tool for the local community.

As previous SLSCC community education instructors, we would like to seek your expressions of interest to return as an instructor again this season to work with us and again deliver these educational and fun programs.

Our induction day will be held in late September (TBC).

Our program will commence Friday the 14th of October and run until Wednesday the 22nd of December - with bookings on most school days.

This year, we will be recruiting for two positions:

Surf Education Instructor - \$26.75 per hour

Surf Education Supervisor - \$30.95 per hour
