Email: admin@slscc.com.au

Summary	This circular outlines the introduction of Live Heats during the 2022/23 SLSCC Surf Sports season.
Action	Clubs are asked to circulate information to all members participating in Surf Sports events this season.

Introduction

SLSCC is excited to be rolling out "Live Heats" for the 2022/23 Surf Sports season. Live Heats is an online event scheduling and resulting platform used by SLSA and SLSNSW. We will be using Live Heats to assist delivering exceptional carnival experiences for athletes, officials, coaches, and supporters.

Live Heats lets officials use handheld mobile devices to marshal and record results for competitors for each event. Each competitor is armed with a NFC wristband which is to be worn for the whole competition. These wristbands are assigned to each competitor and are re-usable for the course of this season and beyond. These wristbands are scanned by officials to ensure competitors are marshalled and resulted for each event.

Wristband Distribution

Wristbands will be distributed at each carnival this season via a Live Heats sign on desk.

Wristbands are to be re-used at each event this season.

Wristbands can be used at any SLSA sanctioned event.

Costing

Each competitor will be allocated 1 wristband at their first surf sports event of the season via the Live Heats sign on table this season.

Clubs will be invoiced \$2.00 per wristbands allocated to their club members.

Additional wristbands can be purchased from the Live Heats sign on desk at carnivals via EFTPOS at a cost of \$5.00 per wristband.

Results

Results for each carnival will be posted in real time at:

[LiveHeats | Live Scoring and Competition Management Platform for Sports](#)

For any additional information then please contact Michael on the details above.
