Summary	This memo outlines changes to "Circular 1560 – 2022-23 SLSCC Awards of Excellence Nominations"
----------------	--

Amendment

Surf Life Saving Central Coast would like to advise that the SLSCC President and Directors have reviewed the changes to the section;

"Changes for the 2022/23 Awards

4. Interviews will be conducted prior to the SLSCC AOE for the top finalists in the following awards;

- *Surf Lifesaver of the Year*
- *Youth Surf Lifesaver of the Year*
- *Volunteer of the Year*
- *Youth Volunteer of the Year"*

The decision has been made **not to conduct the interviews** with the top finalists prior to the SLSCC Awards of Excellence in order to protect the surprise for nominees at club level given that not all clubs have had their presentation nights as yet.

The winners of the above categories at SLSCC Awards of Excellence will go through an interview process as preparation for the SLSNSW Awards of Excellence.

Kind Regards
