## Oxygen Resuscitation Equipment Service

**Audience:** Club Presidents, Directors of Lifesaving and Directors of Administration  
**Date:** Wednesday 7<sup>th</sup> June  
**Contact:** Julie-Ann Fillingham  
**Phone:** 4353 0299  
**Email:** [support@slscc.com.au](mailto:support@slscc.com.au)

<b>Summary</b>	Oxygen resuscitation equipment servicing arrangements for clubs
<b>Action</b>	Drop off all surf club oxygen kits to SLSCC office 4pm Tuesday 15 <sup>th</sup> August Pick up of oxygen kits will be at the in person BOLs meeting in September.

The annual service and preventative maintenance of Oxygen resuscitation equipment will once again be covered by Surf Life Saving Central Coast.

### Before Drop off

Clubs need to complete the following tasks prior to dropping off at the Branch office.

1. Clean obvious sand, dirt and corrosion from the oxy equipment
2. Ensure SurfGuard records are correct for all equipment delivered
3. Include valves and reservoirs (no consumables)
4. Label ALL Oxy Vivas and removable components with club name

### Cost and Invoices

- SLSCC will cover the standard maintenance cost of servicing all Central Coast surf club oxygen kits.
- Clubs will be responsible for any additional costs above the standard maintenance fee. Clubs will be contacted for approval for any additional costs.
- If you miss the deadline the individual club will be responsible for all servicing of equipment.

### Dates

- **15<sup>th</sup> August**
  - Final day for Oxy Viva to be dropped off at SLSC Branch
- **18<sup>th</sup> August**
  - Clubs to pick up
