Email: office@slscc.com.au

Summary	This circular outlines the process for previous SLSCC Community Education Instructors to signify their intent to return to our program in the 2023/24 season.
Action	SLSCC community education instructors are to notify their intention to return this season via the attached Jotform link: Application Form

SLSCC is excited to be able to return to the beaches and run our community education program through 2023. The program delivers surf safety education to 1000's of Central Coast school children each year and is a vital tool for the local community.

As previous SLSCC community education instructors, we would like to seek your expressions of interest to return as an instructor again this season to work with us and again deliver these educational and fun programs.

Our induction day will be held in late September (TBC).

Our program will commence Friday 13th October and run until Monday 18th December - with bookings on most school days.

This year, we will be recruiting for two positions:

Surf Education Instructor - \$26.75 per hour

Surf Education Supervisor - \$30.95 per hour

If you're returning for the 2023 surf education season, please complete the form at the following link:
