Summary	This circular outlines the need for SLSCC to have a Live Heats Coordinator at each carnival to support the host club, officials and ensure that the Live Heats platform works effectively.
Action	Clubs are asked to circulate circular to any suitable members. Members are to give an EOI at the following link: EOI Live Heats Coordinator (jotform.com)

Introduction

Live Heats is an online event scheduling and resulting platform used by SLSCA and SLSNSW. We will be using Live Heats for the second year to assist delivering exceptional carnival experiences for athletes, officials, coaches, and supporters.

Live Heats lets officials use handheld mobile devices to marshal and record results for competitors for each event. Each competitor is armed with a NFC wristband which is to be worn for the whole competition. These wristbands are assigned to each competitor and are re-usable for the course of this season and beyond. These wristbands are scanned by officials to ensure competitors are marshalled and resulted for each event.

Coordinator Position

SLSCC is looking for the right candidate/s to act as a "Live Heats Coordinator" at local carnivals. The Live Heats Coordinator will be responsible for:

- Troubleshooting of the Live Heats Platform;
- Assisting with assigning wristbands and training club representatives in the process and;
- Being the point of contact for all officials using the platform at the carnival.

The positions requires members who have an understanding of the Live Heats platform or a willingness to learn. We are looking for members to "champion" the platform and be able to assist clubs in running the platform at each carnival. Coordinators will be asked to commit to at least one carnival per season. Training will be provided to the right candidates.

EOI

At this stage, SLSCC are asking for an EOI from any interested members. Filling out the EOI is not a commitment to the role. SLSCC will be in contact to discuss the role further.

To give an EOI, please fill out the form at this link: [EOI Live Heats Coordinator \(jotform.com\)](https://jotform.com)
