Summary	This memo outlines the release of the new SLSCC Branch Calendar on our website.
----------------	---

SLSCC are excited to announce the implementation of a new “Branch Calendar” application on our website. The calendar contains all upcoming branch events and the page will be a ‘one-stop’ location for information on all SLSCC events.

The Calendar can be found at our website home page under the “Calendar” tab or at the following web link: [2023/24 SLSCC Calendar - Surf Life Saving Central Coast](#)

The calendar has link on the webpage for clubs and club members to ‘subscribe’ to updates by clicking on the blue ‘Subscribe to calendar’ button at the bottom of the calendar page.

All SLSCC events will be added to the calendar over the coming weeks and information on these events will be update regularly as it becomes available.

An announcement with a calendar link will be made on SLSCC social media platforms on Sunday the 30th of July at 12:00pm. Clubs are encouraged to share the post.

SLSCC would like to thank the team at “The Events Calendar” for providing a non-for-profit licence for the application.
