Summary	RESINC Solar have been approved by SLSCC Branch Council to run Fundraising BBQ's at the Central Coast Clubs this season. All profits to the clubs.
Actions	Complete Jotform with preferred dates and provide contact details for clubs. Nomination Form - Date Availability Form

RESINC are long term sponsors of Surf Life Saving Central Coast. This season, they have offered to run a BBQ fundraiser at each club within the Branch. There are 60 dates available for RESINC to come to your club to provide the BBQ fundraising opportunity. **ALL PROFITS from the BBQ sales will be passed back to the club.**

What does this mean for your club?

RESINC will come to your club on the date/s you nominate and run the BBQ fundraiser. They will look after all the food catering, tent, BBQ equipment and payments, as well as provide staff members to run the BBQ on the day. Clubs are encouraged to engage Rookies, Youth and club members to assist to help support the club community. Following the BBQ fundraising day, all proceeds from the day minus the stock expenses, will be returned back to the club and paid directly to the club bank account.

Additional Benefits

RESINC will have a QR code that members of the public, club etc can scan should they be interested in purchasing a solar system. If a sale comes from the QR scan at your club, then the club will receive an additional benefit of \$500 paid directly to the club bank account. A major giveaway will also be announced at our 'Surf Life Saving Central Coast Awards of Excellence' evening on Saturday 15th June, 2024 at Mingara Recreation Club.

The major winner will receive one of three prizes

- 6.6KW System installed on your home or
- 10KW Battery if you already have solar or
- Electricity bill paid for 12 months if renting

Date Availability

Please nominate the dates your club like to hold a Resinc BBQ. **Only 1 club booking is available per date.** This is a great opportunity for the 15 clubs on the Central Coast so please be considerate when booking dates. If the date is unavailable, this means the date has been already booked, and you will not be able to book that date. Remember your club can have more than one BBQ date.

October 2023 to December 2023 bookings will close Sunday 1st October 2023.

January 2024 to April 2024 bookings will close Sunday 17th December 2023.
