Intro

As we head into our 2nd season of using the Live Heats platform, we are looking to increase the capability of our clubs to use the system effectively for both SLSCC and club purposes.

In order to build this capability, SLSCC in conjunction with Live Heats are offering a training opportunity for clubs and their members. The training has a capacity of **30 spots**, so 2 spots have been allocated for each club. Leftover spots will be allocated to clubs wishing to send extra members. There is a ‘waiting list’ space on the Jotform provided. It is recommended clubs select their attendees with the intention of sending people to the training who will be active as officials at carnivals this upcoming season.

The training includes:

- A summary of the application by Mackenzie Hynard (Live Heats);
- Demonstrations of carnival setup, marshalling and resulting;
- Practical use and demonstrations of the SLSCC Live Heats Seat Up;
- Q and A Session for all attendees.
