Surf Life Saving Central Coast (SLSCC) invites nominations for the 2023/24 Newcastle Permanent 13-14's Development Program. The program is aimed at members within the U13 and U14 age groups with potential to become a leader and have an interest in improving their surf club.

SLSCC presents a range of leadership and team-building activities. The program also incorporates workshop sessions aimed at developing leadership, communication and networking skills, allowing participants to develop events, functions and activities that they believe will increase youth participation and satisfaction in Surf Lifesaving on the Central Coast.

Clubs are encouraged to use this program as a method of recognising members who have the potential to develop skills further by working with like-minded youth. The Program will be run over the weekend of the 4th and 5th November 2023 at Copacabana SLSC and MacMasters SLSC.

Once online nominations have closed, clubs will be sent their members nominations for ranking. Clubs will be allocated four (4) positions in the program and should rank all other interested applicants in preferential order. It would be ideal to have two male and two female applicants per club. Positions not filled will be allocated to the most promising applicants from other clubs.
