Actions	Complete online RSVP form for attendance and catering purposes. Youth Day Forum RSVP Form by Sunday 19th November 2023

Surf Life Saving Central Coast (SLSCC) invites all youth members between U13 - U19 to the SLSCC Youth Day Forum. The forum is aimed at all SLSCC Branch Youth members within the U13 to U19 Youth Age Groups to engage our Branch Youth. SLSCC has a strong representation with our Youth within our Branch offering a range of youth programs that foster leadership and development to promote a youth voice and engage our youth within the branch as the futures of Surf Life Saving. This event will bring together all the youth across our Central Coast's 15 clubs.

We encourage all club youth members to actively take part in this event. The day's agenda will include interactive workshops aimed at fostering feedback from Youth members, enhancing youth engagement with the Branch and clubs, and featuring external guest speakers, including Gotcha 4 Life. These sessions will focus on both personal and professional development, communication skills and building effective networking abilities for all Youth Members throughout our Branch.

Stay tuned to SLSCC's social media pages for updated information in the lead up to the event.
