Club Ticketing

Club Ticketing - [Click here](#). Due Sunday 12th May 2024

Each year SLSCC releases two rounds of ticketing for clubs to purchase tickets for their members. The first round allocates fourteen (14) seats per club. This number is an agreed number that each club will purchase as minimum for the SLSCC Awards of Excellence Evening.

Tickets are \$75.00 pp. inc GST.

It is important to note that Club Presidents, SLSCC Board Members and SLSCC Life Members have already been allocated tickets by SLSCC and do not need to be included in the club numbers for club tickets.

The second round of ticketing is for clubs to purchase additional tickets for their members. In this round clubs are allocated seats based on the number of additional tickets they would like to purchase, the number of nominations submitted for the awards evening and availability of seating remaining.

There is an online ticketing form for clubs to complete. The form asks clubs to submit the first 14 names and indicate the names of additional ticket holders the club would like to purchase in the 2nd round, if this becomes available. We will be in contact with clubs if these tickets become available for you to submit further details.

If you have any questions please call Natalie Tucker, SLSCC Office directly on 0438 168 214.
