

Circular 1616 Oxygen Resuscitation Equipment Service

Audience: Club Presidents, Directors of Lifesaving and Directors of Administration
Date: Thursday 23rd May
Contact: Julie-Ann Fillingham
Phone: 4353 0299
Email: support@slscc.com.au

Summary	Oxygen resuscitation equipment servicing arrangements for clubs
Action	Drop off all surf club oxygen kits to SLSCC office before 4pm Tuesday 27 th August 2024

The annual service and preventative maintenance of Oxygen resuscitation equipment will once again be covered by Surf Life Saving Central Coast.

Before Drop off

Clubs need to complete the following tasks prior to dropping off at the Branch office.

1. Clean obvious sand, dirt, and corrosion from the oxy equipment
2. Ensure Surfguard records are correct for all equipment delivered.
3. Include valves and reservoirs (no consumables)
4. Label ALL Oxy Vivas and removable components with club name.

Cost and Invoices

- SLSCC will cover the standard maintenance cost of servicing all Central Coast surf club oxygen kits.
- Clubs will be responsible for any additional costs above the standard maintenance fee. Clubs will be contacted for approval for any additional costs.
- If you miss the service, the individual club will be responsible for all servicing of equipment.

Dates

- **27th August 2024**
 - Final day for Oxy Viva at SLSC Branch
- **30th August 2024**
 - Clubs to pick up
