2024- 2025 Pre Season Uniforms Order

Rookie Patrol Uniforms

[Members Portal](#)

Last season the Rookie Program had a new sponsor - Freemasons on the Central Coast. The process of Rookie uniforms this season is the same as follows;

1. Clubs order patrol shirt and shorts from the SLSA Shop using their patrol uniform credits which is normally available as at July 2023. All patrol shirts should have AMPOL on the sleeve.
 1. Base you're ordering off number of incoming U13s moving on from U12s last season, plus extra. All patrol shirts for Rookies in U13 & U14 should have AMPOL on the sleeve.
2. Clubs send all allocated Rookie patrol shirts for U13 and U14 members to SLSCC Office clearly labelled with club and quantity by size.
3. SLSCC will print all received patrol shirts with Rookie and Freemasons on the Central Coast.
4. SLSCC will redistribute shirts back to clubs as quickly as possible.

Note 1: It is important that clubs begin the purchase process at the SLSA Shop so that all shirts are available for Rookies to wear at the SLSCC 24/25 Raising of the Flags ceremony on Saturday 28th September 2024. Clubs have received a uniform grant from SLSA in previous years to purchase uniforms from the SLSA store, however this is not confirmed for the season as yet.

Note 2: As this order is early and the exact number of Rookies for the 2024/2025 season is still unknown SLSCC will complete another printing run in November 2024 to ensure all new rookies will have the same shirt as existing rookies.

The first event for the Rookies this year is the Raising of the Flags on Saturday 28th September 2024. We aim to have all orders ready for collection by clubs prior to this day if received early enough.

Orange Water Safety Rash Vests

To ensure we maintain a high standard of safety in water based activities, all water safety personnel are required to be easily identifiable in an Orange Water Safety Rash Vest.

SLSCC will continue to support clubs this season and is able to offer Orange Safety Rash Vests.

Price: \$20 inc GST per unit.

Please use link to complete required sizes by Sunday 2nd July 2023.
