Action	Entries can be submitted by uploading here by Tuesday 14th May @9am Team Manager Lite Software can be downloaded here – Click here Event File can be found here from Friday 19th April 2024 – Event TM File Official Nominations - Officials Nomination Link

SLSCC is hosting the SLSCC Branch Pool Rescue Championships on Sunday 19th May 2024.

To ensure we are able to run all events within one day, the program has been set up to fill lanes up, so the carnival can be run as quickly as possible. This means that multiple age groups will be racing together but will still score points and medal within their own age group for individual events.

Relay events will be mixed age groups, as listed within the program.

Entries will need to be entered using **Team Manager 8.0 Lite**. Step by step instructions can be found [here](#). If any club or team manager needs assistance completing entries, they can contact the SLSCC office via email: admin@slscc.com.au and arrange a time for us to assist with the entry process.

Note: Clubs will be required to provide officials and pool setters for this event according to entry numbers. Information regarding these quotas will be provided on Wednesday 15th May 2024. Officials wishing to register early can do so via the nomination link in this circular. These officials will be attributed to the club official quotas.

Event Rules and Conditions

This Event will run under the 37th Edition SLSCC Surf Sports Manual (December 2022 update)

Composite and mixed teams will be accepted on the day if lane space is available in existing heats at the discretion of Event Referee.

Masters age groups are in 10yr divisions (30-39, 40-49, 50-59, 60+)

The Event Referee reserves the right to amend the carnival program.

Events will be seeded based on times for each event not by age.

Results for all events will be broken into age groups for individual events.

Results for relays will be broken into the mixed age groups as stated on the program.

Line throw will be contested in all age groups. This is an exception to the other relays. Line throw will also be “manually time kept”.

Competitors may only race once per event - For example a competitor can only participate in the 50m carry event once, even if they are eligible to swim in multiple age groups. This also extends to all relay events.
