

# Surf Life Saving Central Coast

84th Annual Report 2021/22

# Our Purpose

To save lives, create great Australians and build better communities

The origins of Surf Life Saving can be traced back to the actions of Mr William Gocher at Manly Beach in September 1902, defying the law of the time by bathing during prohibited hours (daylight). His and similar actions by other people forced the recognition of daylight bathing and the pastime of surfing became part of our national culture.

As surf bathing grew in popularity, its dangers just as rapidly became apparent. Small groups of experienced and regular surfers began to form themselves into lifesaving bodies to assist those who required to be rescued from an unfamiliar environment.

As these clubs grew in size and numbers, the need for a united front to raise funds and seek assistance from local and state government resulted in the New South Wales Surf Bathing Association being formed on 18 October 1907.

The Surf Life Saving Central Coast Branch was formed in October 1938 at a meeting with the 5 original Central Coast surf clubs: The Entrance, Terrigal, Avoca Beach, Killcare and Ocean Beach.

At that time, Surf Life Saving was growing at a rapid rate and the administration requirements were becoming a burden on the head State Centre. The leaders from the five founding clubs also recognised the need with the growing population on the Central Coast and increased demands at the beaches.

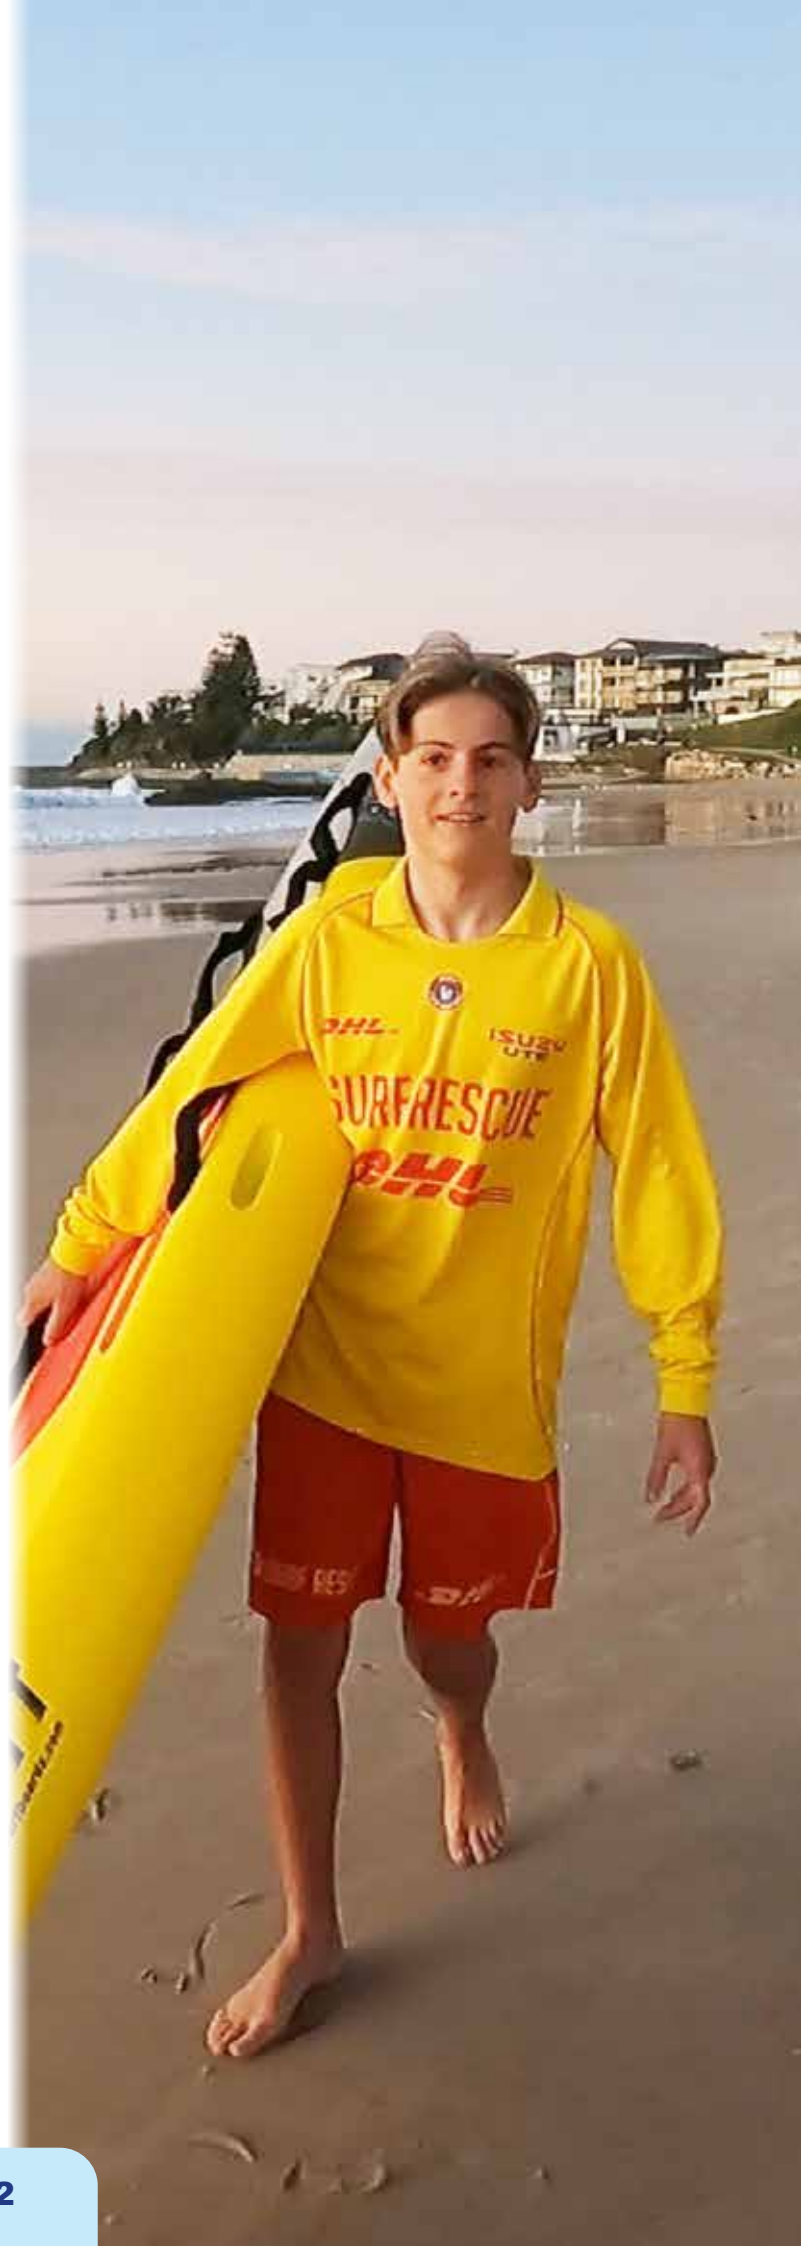

After the establishment of the Branch there was a temporary halt in the further advancement of Surf Life Saving during the years of World War II before renewed growth slowly accelerated and the other fifteen (15) affiliated clubs on the Central Coast were formed finishing with North Entrance SLSC in 1977.

Since this time Surf Life Saving has been embraced by the Central Coast community and gone from strength to strength with our operations.

On record we have saved 33,889 Lives since 1977, but it is fair to say that over 50,000 people in danger have been rescued by our courageous and dedicated red and yellow army of volunteers on the Central Coast.

# President's Report

Surf Life Saving Central Coast once again carried out our core duties of Lifesaving on our fifteen beaches with excellence. Our members rose to the occasion, with some enormous obstacles thrown our way.

Never in my history of being associated with Surf Life Saving, have I seen a season deliver so many curve balls. From evacuation orders from all beaches for Tsunami warnings (15 th of January), restrictions on who can patrol due to Covid 19, inclement weather producing some massive seas and who will forget the colour and the contamination of the water after some of the many storms that hit the entire NSW coastline. It was reported that a fully intact roof of a house/shed was floating off the coast out from Copacabana with its satellite dish still attached.

## Lifesaving

Our Patrolling members were on the beaches week in, week out and Public Holidays looking after the vast numbers of visitors to our beautiful beaches. The amount of people on the beaches swelled again due to international travel restrictions. Crowds flocked in and around our coastline, visiting many beaches that are unpatrolled making our Support Services teams busy.

Our Lifesaving operations are always excelling and I am proud to say we deliver a very professional group of well-educated and experienced Lifesavers who work tirelessly in the prevention of drownings.

The number of preventive actions was a massive number again and the number of rescues carried out was on the rise. Some of these rescues gained State and National recognition and these members are congratulated for their dedication and skill in and around the surf.

The Flood response in and around the Central Coast saw a skilled group of our Members deployed to assist in rescuing people from inundated flood affected homes, delivering much needed supplies and door knocking to carry out health checks on flood affected residents. This work went well beyond our normal duties and at times stretched some of our Life-saving Teams.

## Governance

The Directors of SLSCC led their teams with skill and commitment and we once again excelled across the service. We have seen our membership statistics increase across the board. This trend is absolutely amazing and bucks the trend to what we are seeing in other Branches across the State. There is still much work here to be done. Revitalising and a re-think on how we deliver our programs has started and needs to continue if we are to succeed and stay relevant to our communities.

With the curve balls that were thrown at us this past season we also had the Central Coast Council go into administration with the entire group of Councillors sacked. Funding was put in jeopardy, there was much uncertainty with the future of our association with our Council, but I am pleased to say that we worked through the many issues, we received our much-needed support financially from Central Coast Council and we are happy with the progress we have seen over the last 6 to 8 months.

## Recognition

To our Sponsors and Supporters, I once again thank you from all of our Members. Your association makes our job that little bit easier and your financial contribution makes our beaches a whole lot safer.

Congratulations to David Unger (who did not seek re-election at the election meeting.) David has been the Director of Sport for the past 12 years and it must be said, David has committed a big part of his life to Surf Life Saving. To David - our members, our surf sports participants, thank you for all your work over these many years.

To our 15 Club Presidents - what a year! We thought the season 20/21 was difficult; most of us now have mastered Zoom and that was a challenge for some. Your commitment in leading and directing your Clubs does at times goes unnoticed, but from SLSCC and the entire community who visit our beaches...thankyou.

I would like to take this opportunity to thank our CEO, Jon Harkness, and his team at the Office at Tuggerah. Jon is a dedicated, hardworking colleague and delivers on the day to day operations of our Business with all areas of Surf Life Saving. Thanks Jon and thanks to your team.

I will finish this report by saying this is my last report as President of Surf Life Saving Central Coast. I have been in the role as President for the past 12 years and some years before that as Director in a number of Portfolios. Surf has been, and still is, an enormous part of my life and I would like to thank all members past and present for the opportunity to lead Surf Life Saving Central Coast. Many emotions come my way when I think about the history of my involvement in Surf which are too many to list, but I will say I am extremely proud of what we have achieved over the many years and

I am very confident in Matt Slattery and his new team to lead us into the future.

Good luck to everyone, stay safe and I will see you on the beach.

## Stuart Harvey

PRESIDENT

# Chief Executive Officer's Report

It's a pleasure to present the 84th Surf Life Saving Central Coast (SLSCC) Annual Report for 2021/2022.

The past year was again an unprecedented year with disruption and impact of the COVID 19 pandemic. Despite this we managed to deliver lifesaving, surf sports, education and member activities. Some of these were modified to meet the needs of controls in place around distancing, however were overall a complete success of delivery of core activities. Disappointingly, one cancellation outside of our control for the year was our Community Education Program, which traditionally reaches thousands of school aged students. Despite this 2022 community education programs are fully booked in anticipation of surf survival, school talks and beach fun days.

## Strategic Reflection

The SLSCC Central Coast strategic plan is evolving with many workshops completed to align the SLSA and SLSNSW draft template. This plan is scheduled to be completed in the 2022/2023 season with further engagement from the Branch Council. The existing strategy has been delivered upon within the constrained environment in all portfolios.

## Community Partners

SLSCC as a volunteer organisation is supported at large by some wonderful local community partners. I would like to recognise their ongoing support:-

- Central Coast Council
- Newcastle Permanent
- Freemasons on the Central Coast
- RESINC Solar
- Mingara Recreation Club
- Central Coast Leagues Club
- Southern Cross Austereo (MMM and Hit 101.3 here on the Central Coast)
- Goodgear
- Fortunity Accountants
- Sharp DS Central Coast
- Murray Richards of Sideline Sports Photography

## Sustainability

Whilst this year was one of disruption, pleasingly SLSCC has managed to remain in a solid position due to the frameworks and governance of our organisation which enabled SLSCC to purchase and distribute IRB motors to all 15 surf clubs to bolster the lifesaving capability across the Central Coast.

## Membership

In the membership space, SLSCC drove a recruitment campaign online which saw an increase in membership across the board to approx. 8500 members both junior and senior. Our members are the core of the organisation and they, along with our partners who support us, have enabled us to meet and exceed expectations as a branch organisation.

## Acknowledgment

As CEO of SLSCC I would like to acknowledge the tireless support of the Staff and Board as they managed their response to the changing landscape of working. They have proved to be an incredible and agile support to our clubs and members.

The past year has had some incredible tough times, yet some incredible highlights to be proud of, not only in my professional role, however also as a volunteer on the beach.

## Jon Harkness

CEO

# Our Directors

**Simon Cusack**  
**Director of Lifesaving**

Simon started out in Lifesaving completing his Bronze in 1988 (when you were still required to complete a belt swim as part of the exam) at Crowdy Head just up the road from where he grew up.

After 2 years he moved away for work & it was not until 2006 he re-joined the lifesaving movement, becoming a member at MacMasters Beach.

He has been a member of a couple of Central coast clubs because of surf sports.

Volunteer Positions that I have held or hold:

- Director of Lifesaving @ MacMasters Beach SLSC 2012/13 - 2015/16
- Director of Lifesaving Surf Lifesaving Central Coast 2019/20 - Present
- Manager of Support Operations @ Surf Lifesaving Central Coast 2017/18 - 2019/20
- Surf Lifesaving Branch Duty Officer 2009 - Present

Surf Lifesaving Surf Sports Official – 14 years, officiating at Local, Branch, State & Australian carnivals which he is highly regarded.

**Paul Duignan**  
**Director of Education**

Paul started his involvement in Surf Life Saving as a nipper parent and before he knew he was an age manager and doing his Bronze. He received his both his Bronze and IRB Drivers and Crew in 2003.

Paul quickly got involved in club administration as Publicity Officer, a patrol captain and as a club trainer. He started training bronze and IRBs in 2005 and an assessor in 2007.

Paul became President of Copacabana SLSC during the rebuilding of the club from 2007-2009 and following the presidency he became the Chief Training Officer from 2012-2017.

In 2018 Paul was elected as the Central Coast Director of Education.

Paul was recognised by Surf Life Saving NSW as their Facilitator of the year in 2019.

**David Unger**  
**Director of Surf Sports**

David joined Surf Life Saving in 1990, at Ocean Beach SLSC, enrolling his children in nippers to learn water safety.

He has been a JAC Chairman (4 years), Club President (13 years), Branch Deputy JAC Chairperson (3 years), Branch Selector (4 Years), Branch Manager of Special Events (3 years) and Branch Director of Surf Sports (12 years). He was Patrolling Member, Patrol Captain for Ocean Beach and has received National Service Medal for patrolling. He is Life Member of Ocean Beach Juniors. Ocean Beach SLSC, Central Coast SLS and SLS NSW.

David holds a Bronze Medallion (current from 1990), First Aid, Silver Medallion Beach Management, Senior Officials (Level 3), Official Mentor, Official Facilitator, SLSA Alumni course recipient and many more over the years.

David is very interested in surf sports but is passionate in surf lifesaving overall and believes in what it stands for.

**Amy Fletcher**  
**Director of Youth Activities,  
Membership, Inclusion & Diversity**

Amy joined Surf Life Saving in 2003 as a surfboat competitor for Terrigal Beach SLSC. She continued to compete and patrol for both Terrigal and Wamberal surf clubs over many seasons before taking a break to start a family.

Her passion for surfboat rowing bought her back to Wamberal SC competing across two divisions and winning numerous local, Branch, ASRL and State Championships medals.

Amy joined the SLSCC Board as Director for Youth Activities and Membership in 2020 where she continues along with her Board Managers in her role supporting and guiding our nippers, youth programs and members in the areas of retention, recognition and diversity.

An advocate for living an active beach, Amy loves to share the many benefits the surf life saving movement can offer including life-long friends, life-saving skills and many great ways in which our members can contribute to the surf community.

**Darren Clarke**  
**Director of Business Development**

Darren joined the surf lifesaving movement 34 years ago, when he joined Avoca Beach SLSC nippers with his brother and sister. Darren long enjoyed the competitive side of surf lifesaving, where he was a member of Central Coast and NSW representative teams on multiple occasions as well as a State and Australian champion. Over time, Darren transitioned into surf sports coaching and leadership roles with Avoca Beach SLSC, becoming a Patrol Captain at age 19 and Patrolman of the Year in 2005.

One of Darren's proudest experiences in surf lifesaving was being part of a team of Avoca Beach SLSC members that travelled to Thailand in to deliver a lifesaving skills development program in response to the 2004 tsunami disaster.

His experience in surf lifesaving also assisted Darren in becoming a professional lifeguard for Central Coast Council for 10 years as well as a becoming lifeguarding business advisor in the Balearic Islands in Spain in 2008.

Darren joined the SLSCC Board of Directors in 2019 and remains passionate about building the Branch's financial sustainability, membership levels as well as establishing SLSCC partnerships with businesses and government.

# Governance

## Role of the Board of SLSCC

The role of the Board is to be responsible to the membership base around relevance and sustainability of Surf Life Saving Central Coast.

The Board meets monthly to report individual portfolios at a strategic level, to deliver on its objectives and goals. The board is ultimately responsible for the delivery of all activities of the organisation and controls governance. They regularly review and discuss policy to ensure relevance to the clubs it serves.

The board is made of six elected members who have exposure in their specified portfolios and are considered to be the subject matter experts in this area. The board also present to the Branch Council on a bi-monthly basis.

## Role of Branch Council

The Branch Council is made up of the Club Presidents from each of the Central Coasts clubs. It holds bi-monthly meetings along with the annual election meeting and annual general meeting.

The Branch Council are responsible for ensuring the board represents clubs effectively with relevant information and guidance to meet the needs of the diverse range of clubs.

The Branch Council is responsible for the following”:-

- Election of Board of Directors
- Review of actions from Board to ensure relevance and sustainability of the organisation
- Provides the voice of the membership of clubs across the Central Coast

- Review of management reports and financial position of branch.
- Assist the board and/or CEO in their thoughts on the direction of the organisation and manage policy changes that affect the membership base.

## Relationship with Management

The management of the Branch is completed under the supervision of the Chief Executive Officer (CEO). The CEO is responsible to the board for all decisions affecting the delegated management.

The CEO is responsible for the operations of SLSCC and has authority for decisions around implementation of the strategy, whilst being aligned to the Board and their directive. The CEO has close working relationship with the board members, meeting monthly with further dialogue and close working relationship with Branch President.

# Our Staff

**Jon Harkness**  
**Chief Executive Officer**

Jon joined Surf Lifesaving as a volunteer in 2002 at Shelly Beach SLSC as a parent and patrolling member. He has had two children grow through nippers to seniors and was age manager for some 14 years.

The development of skills for the youth in the club was a priority. Following this he joined the club board as Director of Finance. He is a patrol captain, holds the bronze medallion, silver medallion beach management and IRB driver.

He has a long-term career in finance and holds a Masters of Business Administration from Newcastle University. He was appointed as Chief Executive Officer of Surf Life Saving Central Coast in February 2019.

**Tom Simpson**  
**Marketing and Membership Development Officer**

Tom joined the Surf Life Saving movement as a Nipper in 2003 at Toowoomb Bay SLSC and in 2005 joined Shelly Beach SLSC to follow a surf sports pathway.

As a rookie and youth member Tom gained new awards each season and at 18 was appointed as a patrol captain. Since then, he has also completed his Gold Medalion and RWC Courses.

At Surf Life Saving Central Coast he has continued to develop both the membership and marketing portfolios and has introduced various programs such as the Black Spot program, U15 Development Program and growing engagement on social media platforms.

**Julie-Ann Fillingham**  
**Lifesaving and Surf Sports Officer**

Julie-Ann joined Surf Life Saving in 2008 when her children were young nippers at Toowoomb Bay. Julie-Ann gained her Bronze in 2009.

She was Director of Lifesaving at Toowoomb Bay for 2 seasons. Julie-Ann is a Bronze and IRB trainer. She patrols at Toowoomb Bay and Competes for Shelly Beach.

Julie-Ann started working at SLSCC as a casual Community Education Instructor, that role turned into a full-time role as the Community Education Coordinator, she built the program to where it was a SLSNSW winner at their AOE for 2 years running. She now is the support officer for Education and Lifesaving.

**Michael Hyslop**  
**Club Development and Education Officer**

Michael joined Surf Life Saving in 2017, at Shelly Beach SLSC, after relocating with his family from Western Sydney.

Having his children enrolled in nippers to learn water safety was a huge priority as Michael's original career was as a swimming coach. He has been a coach, age manager, junior Director of Surf Sports and also a uniform officer at Shelly Beach.

Michael holds a Bronze Medallion, First Aid, Advanced Resuscitation, Silver Medallion Beach Management and a Training Officer qualification.

Michael is passionate about all aspects of the SLS movement and loves the community that SLS creates for everyone who is involved.

# Mission

To save lives, create great Australians and build better communities on the Central Coast

# Vision

To be recognised as the leading aquatic safety service on the Central Coast

# Our Achievements

# Central Coast Council Partnership

Surf Life Saving Central Coast (SLSCC) has enjoyed a long and successful ongoing partnership with Central Coast Council which has allowed for the development and growth of Surf Life Saving on the Central coast and the 15 Central Coast Clubs over many years.

The Central Coast Council and SLSCC have a unique relationship where Central Coast Council patrol beaches during the season Monday to Friday and SLSCC and its clubs patrol weekends and public holidays. This situation allows both organisations a situation where they retain relevance and ability to perform duties to the ultimate capacity. The partnership also creates great efficiencies with the joint share of vital lifesaving equipment and fleet of the latest rescue water craft (jet skis). This situation ensures both organisations are funded and supported with equipment at all times, especially in times of emergency and emergency equipment requirements.

The working relationship with Central Coast Council lifeguards and SLSCC is

the best and healthiest it has ever been and allows for seamless operations for the community at the 15 patrolled locations and unpatrolled locations both in standard patrolling hours and outside. Key focus areas over the past 12 months have been the notorious blackspots of The Entrance channel, Spoon Bay and Snapper Cave in Lake Munmorah National Park.

Central Coast Council continues to support the maintenance on the 15 clubs in conjunction with the SLSCC which ensures our surf clubs are protected against the harsh conditions of being on the beach front.

With the ongoing support of the Central Coast Council, SLSCC is able to provide many activities which support community education. Unfortunately, in the 2021/2022 season some of our programs were unable to run due to the pandemic, however are returning 2022 with vigor. SLSCC will be actively delivering the following activities to support our joint community:

## Surf Fun Day Program

An “on the beach” program designed for primary school children delivered during school terms 4 at Toowoan Bay, Terrigal and Umina Beaches. The program teaches children surf safety and sun protection whilst also showing them how to enjoy the beach in safety through participation in a mixture of activities.

## Beach Safe Program

Designed for children from pre-school age to primary school, the Beach Safe program comprises an in class 40 minutes lecture on aquatic surf safety and awareness.

Finally in the 2021/2022 season the support given by Central Coast Council enabled SLSCC to provide to its club's significant investment in equipment used in the activities of lifesaving which has provided great benefit to both the clubs and community.

We look forward to the upcoming season and many more to come working within the realms of this best practice relationship, which is the envy of many other branches and councils up and down the eastern coastline of NSW.

# RESINC Rip Demonstration

Over the season, with the support and funding from RESINC Solar, Surf Life Saving Central Coast were able to deliver rip demonstrations to the membership base and community.

These demonstrations were conducted by professional instructors in conjunction with patrols and rookies on beaches where there is continued risk of being caught in rips and in the notorious channel at The Entrance.

The demonstrations use highly visible dye used in the water, which is also used in search and rescue exercises by lifesavers, showing the volume of water, direction of rip and where it ends. There is also commentary and live rescue scenarios conducted displaying how to act if caught in the rip.

These demonstrations are a vital education piece to ensure that the members of the public have the opportunity learn and understand what to do if caught in a rip and were a highly popular and visible activity.

# Community Partnerships

Community partnerships are paramount support for Surf Life Saving Central Coast. SLSCC has been fortunate over the years to have local organisations continually choosing to invest in the organisations to give back to the locals and visitors to the coast.

Despite the difficult challenges faced by everyone in the past financial year, a key highlight was the renewal of a long-term major partnership with Newcastle Permanent Building society for another three-year period with further options. This is an amazing partnership that has been in existence on the Central Coast for some 19 years and supports our junior activities along with Newcastle Permanent Junior Life Saver of the Year, Newcastle Permanent Youth Development Programs and the highly competitive Newcastle Permanent Ironperson series.

In 2021 a new three-year partnership with long term supporters RESINC Solar was established. This enabled SLSCC to deliver 11 public rip demonstrations displaying the dangers of rips, how they operate and what to do if caught in a rip. It is also pleasing to continue the strong relationship held with Freemasons on the Central Coast who have a keen interest in supporting youth sports and developing young adults. Whilst this was the final year of this relationship, new agreements have subsequently been executed to support similar programs along with the SLSCC Rookie Program. This expansion of support is a natural fit for the offerings and we look forward to delivery of Rookie programs in the coming years. Mingara Recreation club has been pivotal in many ways with support over the past season. During the pandemic their support has been unwavering with pool hire, financial support for education programs and the amazing support they give for the biggest member recognition event on the Central Coast, being our annual Awards of Excellence, which is held in the Mingara ballroom.

SCA here on the Central Coast have assisted with public messaging via radio platforms to deliver some vital surf safety messages which has been amazing.

The platform of local radio via Tripple M and Hit on the Central Coast has a massive reach. This is again an ongoing relationship we value greatly.

Our staff, directors and teams are all fitted out by Goodgear who provide the ultimate in clothing, apparel and merchandise to support the SLSCC brand. Their support has continued to be strong from a local family business who provide not only the “good gear” but the ultimate in service and support.

SLSCC is also guided financially by Fortunity Chartered Accountants and Financial Planners who provide professional accounting and governance services to the Branch and its clubs, from day-to-day accounting to professional audit services. They also provide investment advice to SLSCC for its ongoing investment strategy ensuring its sustainability.

Sharp DS on the Central Coast have been long term suppliers of photocopy and print services for SLSCC and have this year come on board as a partner in not only equipment, however financial support which has enabled branch to produce documents locally and continue with its ongoing goal of becoming paperless.

## Grants

Surf Life Saving Central Coast has been successful in securing grants to support operations and programs giving access and equipment to continue growth in many areas.

Central Coast Leagues Club have been supporters for over 50 years and through Club Grants was able to support the purchase of one new jet ski along with vital buoyancy vests for RWC operators and education to our operators, both new and existing.

Through Central Coast Council, a grant was supported to give education to some 70 members to provide mental health first aid training, which assists our volunteer base to identify and manage members at times of need, especially in this time of pandemic. This program is delivered both face to face and online via SLSNSW Academy.

Eight clubs here on the Central Coast run inclusive programs for nippers and a grant obtained via SLSCC from The Department of Social and Community Participation which enabled the purchase of equipment such as tents, rescue and nipper boards and specialised ear muffs for participants.

Our partners are essential to our role and our ability to continue to keep our community safe, along with being able to continue to develop programs to educate and grow our volunteer membership base. We thank them for their commitment and support of our organisation.

# Black Spot Awareness Program

Surf Life Saving Central Coast is proud to be able to be able to keep the Central Coast community safe at our patrolled beaches. However, each season our 15 clubs and Support Operators regularly respond to incidents which are away from our patrolled area.

The pandemic brought its unique challenges, one being an increase in beach visitation across the entire coastline and another an increase in the number of people moving to the Central Coast. These factors, on top of the limited availability of parking at a patrolled location, meant more and more visitors were exploring unpatrolled locations. These observations from our members are backed up by the Annual Coastal Water Safety released by SLSA, where in the 2020/21 report, it was noted that over 50% of all drownings occurred within 5km from a patrolled location.

This risk was also identified in the Water Safety Strategy 2030. This publication outlines Australia's National Water Safety till 2030. The aim of the strategy is to reduce drownings by 50% by 2030. Our Black Spot Community education program directly relates to one of the six Coastal Water Strategies outlined within the report - identifying black spot locations and implementing drowning prevention programs to mitigate known risks.

With beaches anticipated to have record numbers of visitors again, our volunteer lifesavers saw an opportunity to engage with visitors and provide valuable water safety education about where they are swimming. The biggest benefit of the Black Spot Program is it provides highly local and tangible knowledge about the unpatrolled location and how to stay safe in and around the water.

The feedback received whilst delivering this water safety message was very positive from the volunteer lifesavers on patrol as they found it as an opportunity to open a conversation about the dangers of the location without having to lecture the members of the public. At Pearl Beach the program has been so well received by the local community, that they run regular water talks for the community, using the Pearl Beach brochure.

Currently in circulation there are brochures for:

- Blue Bay
- North Shelly
- Spoon Bay
- Terrigal Lagoon
- Avoca Lagoon/ Bend
- Cochrane Lagoon
- Pearl Beach

# Support Operations 2021-2022

The support operations team consists of our Duty Officers and Rescue Water Craft Operators (RWC).

Our Branch Duty Officers are a dedicated team of highly experienced lifesavers, who patrolled 859 hours over the patrol season. This team does an amazing amount of work for SLSCC and our 15 clubs. These members not only dedicate many hours for their own Surf Clubs, they also contribute at Branch and at a State level. The Duty Officers attend all major incidents, in and out of season, after hours and work closely with Police and other emergency services coordinating SLS assets in Search and Rescue situations. This season the team consisted of 18 x Duty Officers who delivered the following: -

- 816.5 patrol hours, which doesn't include approx. 100 hours (combined) contributed assisting with the 2 flood events in February / March & June.
- 59 x 13SURF incidents of which 6 were high priority response outside of patrolled locations.

We also welcomed three new probationary Duty Officers in Erin Clarke, Matthew Calbert & Anthony Jones. Our RWC team have again excelled in their operations responding to callouts outside of patrol hours & away from patrolled locations. This team is highly skilled and trained to the highest level enabling this vital role to deliver outstanding service to the community they serve.

A major highlight this in 2021/2022 has been the recognition at national level of Lynette Vuradin of Shelly Beach, as an SLSA medal recipient on her first patrol and as part of the Avoca Beach mass rescue in January 2022.

For the Branch Duty Officers and RWC Operators it is a big ask being away from their families for multiple days & these members also patrol at their respective clubs, which displays incredible commitment and professionalism.

Thank you to Katie Dixon, Arron Camp, Warren Evrard, Stuart Harvey, Graham Sherer & Shanan White who have all decided to take a step back from their Duty Officer roles for personal or other reasons. Your service over the many years along with your vast knowledge & experience will be greatly missed.

This season we had 57 RWC Operators covering the coastline of the Central Coast from Munmorah National Park in the north to Umina in the south. The team also trained 7 new operators in the off season ready for the 2022/2023 season.

# Branch Pool Rescue Program

Since the early 2000's Surf Life Saving Central Coast has been introducing and developing members in Pool Rescue through the Annual Pool Challenge event.

Prior to COVID in 2019 the first pool rescue clinic was hosted by our club pool coaches who continued to engage junior members throughout and develop their skills for the State and National Championships. Throughout the pandemic the team continued to expand the program to include a clinic and a Branch Championships and in 2021 we hosted the only pool rescue carnival within NSW.

Pool Rescue events, while unique, have a very real lifesaving element to them. The events look like swimming races until competitors dive down and surface with a manikin or stand on the blocks with fins and tubes tied to them. All these additional elements to these swimming events bring to life how lifesavers perform real life rescues in all bodies of water.

Due to its unique nature, it provides our members with an interest in continuing to develop as lifesavers and maintain their swimming fitness throughout the winter period which assists them as they progress to their next award or their next rescue incident.

Each season our coaches host a clinic held at the start of the winter season to re-introduce the sport and develop club coaches as they transition back to the pool environment. The clinics have four rotations which focus on a specific skill of pool rescue, whether it is carrying a manikin by their side, towing a manikin, diving with fins and tube or throwing a rope.

The Branch Championships provide Central Coast athletes the opportunity to practice their skills in a racing environment

before competing at the State and National Championships. Since the first carnival, which was held in 2019 as a development competition for clinic participants, the carnival has continued to grow in events and athlete participation.

Throughout the entire program the lead coaches have continued to develop athletes, new coaches and officials within the sport. Through this process the program has seen our coaches develop to become SLSNSW Head Pool Rescue Coach, officials progress from junior to senior roles and multiple athletes making the NSW team.

This development progress is a crucial indicator of success as the Central Coast continues to lead NSW in this unique sport, we call Pool Rescue.

# SLSCC Flood Response 2022

## SLSCC 2022 Flood Response

In February 2022 an intense rain band formed across the eastern seaboard. This weather system brought an enormous amount of rain in a very short period of time causing flooding across various regions of NSW. Our own SLSCC volunteer lifesavers were deployed to the Shoalhaven district in preparation for a flood emergency as the weather forecast predicted this area would be heavily impacted by the torrential downfall. These lifesavers spent over 48 hours assisting in the flood response efforts.

Within the same window of time the forecast changed and began moving up the coast to impact the areas of Western Sydney, Central Coast and Hunter Valley. Our second team of volunteer lifesavers were tasked with assisting in door knocking and evacuations in low lying areas of Tuggerah Lakes. Our lifesavers also assisted in completing rapid building damage assessments with NSW Fire and Rescue.

A third team of lifesavers were then tasked to assist in the Hunter Valley between Singleton and Maitland as floodwaters rose in this area assisting in evacuations, transportation and re-supply of food, water and medication.

The next deployments were to Wisemans Ferry, Lower Portland, St Albans, Laughtondale, Gunderman and Spencer areas where our lifesavers were tasked with assisting SES and the ADF again with welfare checks, re-supply of food, water, medical assistance and medication.

In these weather events the logistics and tasking of all our Surf Life Saving assets originate from the Sydney SES Headquarters at Rhodes. Due to the longevity and involvement of Surf Life Saving in responding to this weather event some of our senior lifesaving members were deployed to the SES Headquarters where they assisted the co-ordination and deployment of volunteer lifesavers in the Camden and Liverpool areas.

As our members were cleaning up and recovering from this major natural disaster another intense rain band formed over the eastern seaboard in May. This time Western Sydney and the Hunter Valley were impacted and our members were tasked once again to support the SES in the Tuggerah Lakes, Spencer and Gunderman areas. Their assistance continued over 5 days with tasking such as welfare checks, re-supply of food, water, medication and medical assistance.

Some members of our Surf Life Saving Family in the Far North Coast branch lost everything in the February – March flood event and my thoughts go out to these members and their families as they rebuild their lives and homes.

I would like to thank all of our Surf Life Saving Central Coast members who assisted in both flood events. Surf Life Saving comes under Emergency Services as an organisation, but we must remember that Surf Life Saving is a “Support Agency” to the “Combat Agencies”. E.G Police, Fire, Ambulance, RFS and SES.

# Achievements

## Lifesaving

- Zero drownings on the Central Coast patrolled beaches despite a 34% increase in visitation to the Central Coast beaches on weekends and public holidays
- 8,338 active members across 15 clubs, with geographic span of 85km
- 1,313,007 visitors to our beaches (34% increase on previous season)
- 1,500 first aids actions
- 43,000 preventative actions
- 648 rescues
- 94,742 patrolling hours
- Proactively supported clubs by having an information hub, guiding clubs towards operations under new conditions.
- Renewal of a community partnership which funded \$45,000 towards equipment, including a jet ski, uniforms, storage lockers and specialized equipment to support the RWC team and Duty Officers.
- Equipment is maintained to best practice standards ensuring SLSCC is rescue ready 365 days a year.
- Three rounds of patrol audits conducted across all clubs.
- 100% club gear inspections completed
- All 15 Clubs continue to patrol Saturday, Sunday and public holidays, entirely by volunteers
- Held a RWC pre-season training and education day at Snapper Cave
- SLSNSW SOPS search and rescue procedures followed
- 53 RWC Operators with four new inductees
- 18 active duty officers
- NSW Rescue of the Year awarded to the The Lakes SLSC – November 2020

## Education

- Hosted a SLSNSW Academy Advanced First Aid Course
- Facilitated along with Terrigal SLSC, a SLSNSW Academy Remote First Aid Course.
- Created a branch wide CTO WhatsApp group to ensure instant communication and information sharing amongst club and branch CTO's.

- Created and implemented a COVID Safe Patrol audit/competition
- Designed and created education videos for promotional purposes that were shared on SLSCC and club social media platforms to promote SMBM, SMAR, Bronze and SRC courses
- Transferred to an online filing system for course paperwork to reduce the impact on the environment
- Ran a branch based New SRC/BM induction evening to insure 100% of our TAF's completed the new Bronze/SRC update
- 7 SLSCC candidates were on the first course held for the new training officer's course
- Inducted new Trainer's, Assessors and Facilitators - 8 trainers, 6 assessors and 7 facilitators
- Courses Branch Wide
  - o 63 Bronze Courses – 280 new Bronze Medallion holders
  - o 31 SRC Courses – 204 new SRC holders
  - o 31 ART Courses – 140 new ART holders
  - o 18 IRB Crew Courses – 73 new IRB Crew holders
  - o 13 IRB Driver Courses – 27 new IRB Drivers
  - o 4 SMBM Courses – 45 new SMBM holders
  - o 2 SMAR Courses – 20 new SMAR holders
  - o 1 Gold Medallion Course – 3 new Gold Medallion holders
- Proficiencies Branch Wide 4,264 Lifesaving Award proficiencies including:
  - o 2,582 Bronze
  - o 352 SRC
  - o 864 ART

## Surf Sports

- 13 local carnivals to cater to the training and development needs of all competitors across all age groups from juniors to masters
- Ran three rounds of the Newcastle Permanent Ironperson series – expended to include U19 – Masters categories
- Ran three rounds of the Board and Ski Series
- Ran seven rounds of the Streets Boat Series
- 45 National Medals

- 125 State Medals
- Conducted three Lifesaving Event development days across the Central Coast
- Conducted Pool Rescue Development Program
- Ran first Branch Pool Rescue Carnival June 2021

## Membership

- 70 members attended Women in Lifesaving Luncheon – celebrating 40 years since females were able to be active members
- 23 members recognised at SLSCC Awards of Excellence
- 7 members recognised at SLSNSW Awards of Excellence
- **Youth Programs**
  - o Four activities for the Youth Leadership Program – Nipper Education Session, SLS Support Services Trip, Tree Tops, Junior Search and Rescue Experience
  - o Development Camp
  - o Condensed program to one day due COVID 19 – participants planned and implemented mini project at Club over the season
- **Community Education**
  - o 16,000 students reached
  - o Modified program established for inclusive classes
  - o 4,140 Students at Beach Smart Talks in Schools. These included support units in all schools
  - o 3,300 students' participating in surf fun days, broken into 2,371 primary students and 929 secondary students
  - o 85 students participated in the customized ASPECT program.
  - o Specialised presentation to the DALE Support Unit at St Phillips Christian College
  - o Central Coast also funds with partners \$90,000 worth of surf safety and rock fishing Radio and Television advertisements
- **Nippers**
  - o 15 clubs ran successful Nipper programs
  - o 100% clubs innovated to COVID restrictions
  - o Eight Clubs on the Central Coast have Inclusive programs
  - o \$35K in funding secured by SLSCC to support Inclusive Programs

# Highlights

## Club & Branch

# Our Season Highlights

2361 Patrolling members across 15 clubs, with a geographic span of 85km. 1,183,000 visitors, 2583 first aid actions, and 15,313 preventative actions, 606 rescues, 8382 patrolling hours.

Members from across the Central Coast assisted with flood response across the Hunter and Hawkesbury area in the February Floods.

Zero lives lost between the flags for the season.

The RWC team consist of 62 operators in total with 8 new operators inducted into the team, including now three female operators. 28 Support Operators across the coast.

Conducted Patrol audit/competition between clubs for education and best practice purpose.

Our Trainers, Assessors and Facilitators completed 9222 education awards being gained (this includes junior awards) and 5712 members completed 9006 annual skills maintenance requirements.

SLSCC implemented a strategy to train all 580 ART holders in the new First Aid Units and ART upgrade. This strategy will result in the branch seeing 4 new First Aid Facilitators

SLSCC ran Mental Health First Aid Courses for its members. The branch trained over 50 new mental health first aiders.

SLSCC has been a strong advocate and worked closely with SLSLNSW to establish a new operating rhythm for TAF pathways. This has resulted in quarterly courses now being offered for both new trainers and assessors.

Surf Sports completed 13 carnivals trialing different short sharp programs for juniors. Three rounds of the Newcastle Permanent Iron person series.

In competition, Central Coast Competitors won 5 Australia Open Medals, 18 Australian Masters Medals, 2 Australian Youth Medals.

Branch held Pool Rescue development and Branch Championships on the Central Coast.

Held 4 Youth Activations and Leadership programs for under 13 to under 19's including a camp to Pacific Palms staying two nights at the Surf Club.

Eight clubs ran inclusive nipper programs support with equipment and tents from SLSCC. Branch inclusive nipper carnival held in February at Avoca.

Renewal of community partnership in February to support the purchase of a Branch ISUZU support vehicle to enhance the fleet to deliver support across the geographic footprint and community education.

Commenced "Black Spot" education between clubs extending services to unpatrolled locations across the coast educating public on the dangers in these locations. This included brochures of hazards promoting community safety.

11 Community Rip Demonstrations at various locations including notorious Entrance Channel.

## Avoca

- Garry Clarke will be stepping down after 20 years as President and prior to that, 8 years with Nipper executive.
- Over 200 rescues being performed in patrol hours and many others outside of patrol time. A number of these rescues have been recognised with Branch and Australian awards.
- Thank you to all patrol members we acknowledge your efforts and commitment you make to provide a safe environment for the community.
- The club continues to support members with free training courses to upskill in lifesaving.
- Avoca Beach Members also assisted in patrolling at Entrance Beach and Pacific Palms Surf Clubs during the season.
- In instruction and assessing Jason Lauder has led a strong team.
- We thank Central Coast Council for their continued support with lifesaving services and building maintenance .
- As a club we continue our approach of assisting council by providing additional funds to maintain the building.
- Avoca SLSC thanks SLSA, SLSNSW and SLSCC and their sponsors for their ongoing support.
- We thank our Gold Sponsors for their continued support.
- We welcomed to the club, Sara Lee who support us with fundraising opportunities.
- We acknowledge the contributions of our silver and bronze sponsors.
- Congratulations to club and Branch major award winners for their contributions to the club.
- It was great to see our Lizards contribute with a few activities to support the club.
- Our Golf Day returned, organized by Chris Tasker and Garry Clarke.
- Our 'Moran Rocks to Rocks' again encountered issues with weather but ran a reduced event.
- As usual our Ladies Auxiliary this year donating a new IRB to the club.
- The weather impacted the club in many ways. We thank all members, coordinated by Stuart Harvey, that assisted in cleaning up, sandbagging, and removing damaged items.
- Athletes in the kayaking programs achieved outstanding levels: national and Olympic teams. Lachlan Tame and Riley Fitzsimmons - Tokyo Olympics. National Squads Ella Beere, Fletcher Armstrong and Natalia Drobot.
- I would like to thank The Sunsets Committee, Paul Ouradnick, Emma Dennis, Kylie Hoban, Jack Leary, and Elayna McKay for their support in making the commercial operations function.
- Building upgrades included, new storage on The stage, refurbished Life Saving areas and the floor in the auditorium was renewed.
- We hosted Nippers Branch, which was hampered by weather, with Avoca Beach winning the overall point score.
- Two of our boat crews won Gold at ASRL while Natalia Drobot, Ella Beere, Mia Cracknell and Pearl McQueen were medalists at Aussies. Special congratulations to Alice Laurence on winning Gold in Masters.
- Thank you to our coaches and trainers that put in time to maintain our level of success need to be congratulated.
- Thank you to the executive team for their support during difficult circumstances and appreciate the time and knowledge that each has contributed to the club.
- Special honors were awarded to a number of club members this season. Jeff Barnes and Brett Beswick were awarded Life Membership of Avoca Beach SLSC while Garry Clarke and Brett Beswick were awarded Life Membership of Central Coast Surf Life Saving. Con Ryan was awarded an OAM for his contribution to the community in several areas.
- Pivoted into alternative revenues streams as we manage a very dynamic business environment.
- Introduced our KoWorks partnership, potentially a future proofer for our club and negotiate a new sub-lease with the team from Arties.
- Nippers was a success with Kelly Henry making it a great season.
- Surf Sports was strong again and guided by the wisdom of David Brooks.
- Built a small team of trainers to make sure we have fresh patrolling members each year.
- DA approval to move the First Aid room.

## Killcare

- Vale: Norm Little who joined us from Maroubra at a point when we had only 20 active members and he and Sue Purcell were instrumental in building that back up.
- Vale: Bill 'Billy Bentlegs' Sanders, a distinguished boatie and sweep from the 60's and 70's.
- Vale: Ruth Dunlop, a stalwart of the Ladies Auxiliary through the 1950's.
- Killcare rose the challenges this season, overcoming travel restrictions, increased attendance to the beach, dangerous surf, record rainfall, water pollution, debris.
- No matter what was thrown at us, we fulfilled our promise and were ready to react as best we could, keeping the safety and well-being of our patrollers top of mind.
- Our core mission is to make sure that everyone who comes to Killcare Beach on our watch goes home again and we can tick that one off.
- 12 rescues, and
- 649 documented preventative actions.
- Thank you to our Directors of Lifesaving Matt Hayter and Luke Hayter who spent an enormous number of hours plugging the holes that covid and other issues left.
- Thank you Patrol Captains who take on the extra responsibility of being in charge of patrols and deciding whether to make the vow that we do when we put the flags up.

## Copacabana

- Our mission was again a success with no lives lost on our beach.
- Thank you, Jo Fraser, – Vice President of Lifesaving operations – supported many areas of the club and implemented the all requirements over the season.
- Thank you, Michael Vice President of People and Culture - guided our 3 yearly Strategic Plan and led the team who implemented our new Constitution.
- Thank you Briohny Kennedy - Director of Administration provided a new website, reintroduced our newsletter, digitised our files and helped pull off a couple of great Senior Preso's.

- Welcomed two new Life Members this season; Nic Urie, Pete 'Bags' Bagnall.
- Nippers under the leadership of Emily Buckley, ran with lots of QR codes and disinfectant and largely thanks to Scott Leivesley, Deb Scarlett and Debs Haig.
- We graduated 23 new SRC's - the largest group of Rookies in anyone's memory this club has seen.
- Special recognition needs to go to Deb Scarlett who saw her rowdy bunch from U6's nippers graduate from the Nipper program.
- Congratulations to the winner of the JM Macfadyen Rookie of the year, Alex McCoombe Lopez.
- Our Director of Education, Stephen Pearson, did a truly magnificent job in a very complex landscape.
- New Bronze 5
- New IRB drivers 8
- New Crew 3
- New SMAR 1
- Killcare is aiming to build up our own stock of trainers and assessors but in the meantime we are reliant on our friends from neighbouring clubs to assist.
- Thank you to Tim Pitollo from Terrigal SLSC and Jason Smith from Ocean Beach SLSC.
- Many Sport events were cancelled this season including State, Interbranch and club champs.
- Our new masters, Tony Brown, in his first ever carnival at Branch Champs, picked up the gold, silver and bronze set on the beach.
- Congratulations to our admin team of Heather Pate and Director of Finance Therese Buckley for their work through the entire season but particularly on achieving a clean bill of health in the SLSNSW audit and an outstanding financial result for the year.
- Thank you Zac Webb who will be stepping down as junior club captain next season.
- Thank you to our major sponsor Belle Property Killcare.
- Thank you to our local, state and federal governments along with SLSCC, SLSNSW and SLSA all of whom have also been integral to our continued operation.

## MacMasters

- The Club was guided by the fantastic work of the Board members and Managers who each gave so much time and hard work to keep all the Club's activities running smoothly.
- Our patrol members who formed 12 Patrols this year.
- Our membership numbers were maintained at healthy levels despite the challenges that faced the Club.
- Total membership - 563
- 181 patrol members
- 162 junior members
- 18 life members and
- 202 associate members
- Finances were very well managed through a difficult year and we finished the year with a strong balance sheet, health income streams and a sound profit.
- Undertook major improvements to the club house, including a new tile roof, the complete repainting of all external area, repairs to damaged roof timbers, new roller doors plus other necessary maintenance items.
- Our surf life saving equipment was refreshed and updated.
- Junior activities had successful year.
- Emily Rose named Central Coast Junior Life Saver of the Year, a fantastic effort.
- Our boat crews continued to perform at all levels of competition including several crews at the Aussie Titles and had a strong year.
- Hosted the Hunter and Central Coast surf boat carnival.

## North Avoca

- This season has certainly had its challenges. COVID, Tsunamis, rain, floods, debris, more rain, more floods, building works, large surf and water quality.
- Our building took a hit when the renovation of the front uncovered structural issues.
- Our members rose above and the club had a VERY successful year. A growth in membership, a strong financial position, and representation at local right through to national levels. Our lifesavers became more skilled attending a number of courses and got out there in the community.

- Induction of a new Life Member, Jackie Sproll.
- Our members aren't just involved here on our beach, they are embedded all over the community wherever they go. Work, school, sports and travel, you can find a North Avoca member sharing our club culture and skills.
- The Easter Door knock with special guest Easter Bunny are a great testimony to this ideal.
- Our members performed rescues of people in trouble at other beaches, when they were just there having a surf with mates.
- Our lifesavers again had no lives lost on our watch.
- Congratulations to Colleen and Ken leading our lifesaving section, and our Patrol captains and teams for such an awesome job done throughout the season.
- Sport obviously took a big hit this year. Our athletes rose to the top of their fields again. Congratulations to all our athletes for representing us with pride and courage.
- Our youth again showed their commitment to the club, great young Aussies that are doing great things not only for our club but the entire community.
- North Avoca Youth Program was recognised at the SLSCC Award night.
- I'd like to thank our sponsors and donors for their ongoing and in some cases, multiple generations of support for our club. We are truly fortunate to have you supporting us.
- Congratulations to Kate for her award at SLSCC, Administrator of the year, 2 years in a row as a branch winner and definitely a worthy recipient.
- New patrol trailer full of the best equipment.
- Upgraded patrol room, club windows and doors.
- 280 nippers
- Congratulations to all of our Club award winners, the representative results and thank you to each member for embracing our club culture and making our club such a great place to be a part of.

# Central Coast Surf Life Saving Clubs

## North Entrance

- This year a fresh team lead the Club out of COVID and into a bigger, better, stronger, and safer future.
- We had success in competition at both Junior and Masters levels.
- We welcomed two graduates from Nippers to the open athlete ranks.
- We celebrated a safe patrolling season.
- All our visitors made it home safe and sound to their families.
- 30 First Aid incidents.
- 12 Rescues.
- Just under 250 preventative actions.
- Towards the end of the season, poor weather and water quality which disrupted many of our plans and our actions on the beach.
- We managed to see the season out without the need for Branch assistance in patrols.
- We welcomed 4 SRC graduates from last year to our Bronze Medallion ranks.
- We started a series of IRB training programmes to teach and improve our rescue techniques at Crew and Driver levels.
- We now proudly boast 3 UAV pilots amongst our membership with Jay Davidson joining Lachlan Smith and Patrick Jacobs.
- We have begun a process of replenishing and modernising our Club equipment; new emergency preparedness equipment and competition gear.
- We thank Janet Lyndsay for her hard work in securing funding through various grant applications. We now have new boards and skis for our growing number of Masters athletes and our youngsters transitioning to senior competition.
- We are grateful to Clubs NSW and in particular, Wyong Leagues who graciously provided the necessary funding for an adjustable ski.
- The Club bar and Function Centre facilities have undergone various improvements, with both cool rooms upgraded, new bar taps, offering a greater range of products for our members and clients, and our largest upgrade was that of the Function Centre itself with new acoustic panelling installed after the successful grant application organised by Janet.
- As a Board and JAC, we collectively appreciate receiving feedback and suggestion from the vast experience of our members and what has come through is an undeniable passion people have for our Club.
- Our Volunteer of the year, Malcolm Johnston.
- Our Club Captain's Award recipient is Ben Stadelmann.
- Club Person of the Year Award Jules Mitchell.
- We acknowledge the ongoing relationships with our local Lions and Progress groups, our long-term sponsors in Scott and Des Laing, LaingCon, Laurie and Evelyn Littlefield from Dunleith Caravan Park, and Paul Green from Slimes Surf.
- Our thanks to Caleb and his staff from HipPocket for looking after all our clothing requirements.
- We recognise new sponsors East Coast Surfboards.
- We acknowledge the support of our service partners, Central Coast Council and their Lifeguard Service, particularly during the massive storms and erosion and the staff and Board of Directors at Surf Lifesaving Central Coast.
- On the competition front, gained medals at Branch, State and National Championships.
- A big thank you to all of our Water Safety volunteers and Officials.
- Credit to the Junior Activities team for the hard work they have placed on increasing participation this year.
- SLSCC Awards successful with many winners on the evening. A big congratulations to the following members:
  - SLSCC Youth lifesaver of the year, Liam Drake.
  - SLSCC Rookie of the year, Zara Tucker.
  - SLSCC Official of the Year, David Unger.
- Ocean Beach SLSC Annual awards the major accolades going to:
  - Ms Jasmine Rybie, Club Person of the Year.
  - Mr Oliver Tucker, Young Club Person of the Year.
  - Mr Nigel Fitzgibbon, Patrol Person of the Year.
  - Ms Lauren Lawer, Young Patrol Person of the Year.
  - Mr Jamie Cairns, President's Award.
- Thank you Katie Dixon. Katie has handed over the reins after serving many years as Director of Lifesaving.
- Thank you Robyn Carr. Robyn came back onto the team and managed the JAC for the past few seasons, reinvigorating and seeing some large growth in this area of our Club.
- Thank you Darren Peters. Daz came into the team in finance and admin role and has steered us through a large transformation with the strategic plan and governance pieces being dealt with.

## Ocean Beach

- This was Ocean's Beach 100th Season serving the Peninsula.
- This season 6,261 patrol hours at our beach servicing 72,000 beachgoers.
- Assisted other clubs with patrols at The Entrance and Pacific Palms.
- 13 rescues.
- 44 first aid.
- 732 preventative actions.
- 9 new Bronze holders.
- Total Membership to 528 Members.
- Notable mention for Jamie Cairns, who amassed 294.75 personal patrol hours!
- 68 Members achieving 100% of their rostered patrol hours.
- 252 senior awards and junior awards.
- I must also thank our Parent and Peak bodies that provide ongoing support and mentoring, Surf Life Saving Central Coast, Surf Life Saving NSW, Surf Life Saving Australia, The NSW and Federal Governments.

## Shelly Beach

- Received a substantial Grant from the Council of Sport to update various sections of the upstairs section of the club.
- 140 new patrol recruits
- 45 first aids
- 20 rescues
- 561 Preventative actions.
- New patrol wagon donated by Wyong Rugby League Club.
- Introduced the Patrol Challenge to test patrol teams capabilities in all areas of patrol.
- Release of a new vaccination policy by SLSNSW as well as the, release of updated awards of Resuscitation, Advanced First Aid and First Aid.
- 30 new awards at the club.
- Our numbers were down but we still managed to have 180 nippers.
- Our Nippers program is aimed at Beach safety and the involving cadets in mentoring roles.
- 11 Youth members awarded the Surf Rescue Certificate.
- 4 Youth members awarded the Bronze Medallion.
- Our Youth attended Branch Youth Programs U13-U14s, U15s and U17-U19s Leadership programs. The participants brought those skills back to Shelly Beach and shared them amongst their peers.
- Growing numbers in Surf Sports saw a structured program put together by our coaching team.
- Attendance and results at all levels of carnivals has also increased.
- We had the biggest competitor attendances at Aussies this year across Youth, Opens and Masters.

## Soldiers Beach

- Soldiers continues to improve its financial position as a result of its growing commercial operations, reduction of operating costs, along with tight controls, accountability and transparency.
- Club secured a number of grants with assistance from the SLSA grants worth approx \$65,000, which includes a \$30k solar grant in June this year to ensure the continued reduction of our club operating expenses.
- Secured a new sponsor, Toukley Rotary to assist the club to update needed lifesaving equipment along with the ongoing support from Wiseberry, LJ Hooker and the Wyong Leagues Group - our long term sponsors.
- Unfortunately the beach was closed more than usual due to surf, pollution and erosion all impacting the beach this season.
- Continued to deliver patrol services throughout the entire season.
- 75 active patrolling members completed 4500 hours of patrols.
- 30+ rescues were carried out during the season.
- 2500 preventions and first aids.
- 15 new active members were put through Bronze & SRC courses during the season.
- A number of active members also gaining First aid IRB driver and crew awards.
- With approx. 160 nippers, junior development and education has been a major part of the activity at Soldiers Beach over the 2021/22 season.
- Despite the poor weather, our nipper activities and event schedules, continue to be "best in class" with increased engagement of parents and age manager participation.
- Club now has a well-structured and skills focused training program that will benefit the club in regards to nipper growth for many years to come.
- The clubs winter board and swim skills training continues to be a success and is now an integral part of the clubs junior development program.
- Our senior competitors have represented Soldiers at all carnivals this season including Interclub and Australian titles, where medals including Gold were won in both board, Flag & ski events.
- Fantastic men's and women's boat crew successes at surf boat carnivals.

## Terrigal

- Terrigal SLSC Patrol members again demonstrated their resilience, vigilance and a high level of skill in serving the community.
- Thank you Paul Quick as Director of Lifesaving – for navigating through the significant challenges imposed on Surf Life Saving operations over the past two seasons.
- Thank you to the Board for their endeavours & support throughout the last two season especially during the 107 day lockdown.
- Club welcomed Dwayne Robinson as the new Director of Education.
- 100 new awards.
- 470 requalification's during 2021/22.
- Thank you DOC Joel Green and Head Coach Ryan Quick for the contribution to a successful season. Hayden Macgregor's Gold in U13 Surf Race and Bronze in the Iron person;
- Ryan Green's Gold in the U19 Board race was one the performances of Aussies 22 and congratulations to Ryan Green selected onto the Australian Youth Team.
- Masters athletes in Paul Lemmon & Hayden Smith who again achieved remarkable performances.
- Ran IRB carnival at Terrigal.
- IRB team selected onto the NSW Development Team.
- Julie Redfern as its Member Services Director ensured the club complied with the numerous State Health & SLSNSW policies changes throughout the past two years.
- Julie Redfern was named by NSW Government as the NSW Woman of Excellence for 2022.
- Financially the Club operated profitability and continues to maintain its strong financial position.
- Sourced several grants to support the purchase of vital surf Life Saving equipment.
- Club Renovations - grant application and has been awarded \$500,000.
- Beris Meldrum recognised as SLSCC Life Member.

# Central Coast Surf Life Saving Clubs

## The Entrance

- The Entrance SLSC proudly celebrated its 100th season patrolling. 150 past and present members joining to acknowledge the milestone.
- We have also had another year of incident free with zero drownings.
- Bronze Medallion holders up 21%,
- Nippers were up 54%
- Associate members up 33%
- We've been actively looking to recruit new members to the Club with the aim of ultimately being self-sufficient for our weekly patrol commitments.
- We were once again assisted by our fellow Clubs on the Central Coast to support our patrol commitments. This reduced our average patrol hours over 100 per member to somewhere closer to 80 hours for the season.
- We hope that with one final season of support we will be able to stand-alone once again.
- We had a boost in the number of Age Managers who were actively involved in supporting our JAC Team.
- Unfortunately, the weather and surf conditions impacted nippers, but we shifted to the Entrance Ocean Baths when the surf is too dangerous.
- New members successful in gaining their Bronze Medallion.
- Existing members have attained new awards in IRB Crew & Drivers, SM Aquatic Rescue, First Aid & Advanced Resuscitation Awards.
- Our main competition participants have been our Masters boat crew – the Sandy Craics.
- We have a fairly stable & consistent management team over the past 2 or 3 seasons.
- Financially we are stronger than ever, mainly thanks to our weekly Sunday Sips.
- Financial support from Central Coast Council, Surf Life Saving Central Coast & Surf Life Saving NSW has also allowed us to update and renew our lifesaving equipment without the need to dip into our own resources.
- We're looking to build on the back of a successful 100th Centenary Year and continue to grow in 2022-23.
- We are hoping to expand our patrol roster to an almost unprecedented six patrols.

## The Lakes

- Some of the worst beach erosion seen at our beach, Once in a 100 year flood event and a Tsunami warning thrown in for good measure.
- Members still managed to pull off another successful season in all areas of the club.
- Quite a few new members join our team of Volunteer Lifesavers, with many of these new recruits being part of the St Brigid's school based Bronze Medallion program.
- Lifesaving Stats, 28 lives.
- 74 first aid.
- 213 Preventions.
- 25,000 Beach Attendance.
- Attended several critical incidents along our coastline and also stepped up to support the SES with flood support across the state.
- Deployed to Nowra and Wisemans Ferry during a two week period at the height of the flooding in March - conducted several flood rescues, welfare checks and supply drops to trapped residents.
- Thank you to our Director of Lifesaving, Joe Kanyasi who has once again worked tirelessly behind the scenes to ensure that our Lifesaving team are organised and rescue ready.
- Over 320 Little Rippers & Nippers on Sunday mornings - increased by 50%.
- Nipper retention has also been positive and we are starting to see some larger numbers in the older age groups.
- Thank you Johnny Walker and Leeanne Longford for training our new recruits in Lifesaving education courses.
- Members attained over 20 new awards.
- Surf Sports competitors are in peak condition when representing the club at carnivals.
- Our members had some fantastic results at the carnivals that went ahead.
- Special mention must go to Leeanne Longford, Nikki Fitzsimmons and Rylie Allen who were awarded with the Surf Lifesaving Central Coast Surf Sports team of the year.
- Special thanks to Sharon Falzon on behalf of the board and all members of the club for everything that she does behind the scenes to keep us organised and ensure that the club runs smoothly.

## Toowoona Bay

- The new constitution inc Charities act update has been approved by Members and registered with Fair Trading, and is available to view at our website.
- TBSLSC has applied for a further 10 years under the current lease and CCC has given approval in principle.
- New Caretaker, CCC Lifeguard Leigh Perrow.
- New Cafe Operator - Village Kiosk Toowoona Bay. Going gangbusters.
- New Website - Old club page was hacked and a new website has been rebuilt [www.toowoonaclubslsc.com.au](http://www.toowoonaclubslsc.com.au)
- Total Membership - 737
- Patrolling members: 155
- First Aids 63
- Total Rescues 30 (24 IRB, 5 Bord and 1 other)
- Preventative Actions 250
- Total Attendance 67,025
- We had quite a few rescues during the season, particularly through the Summer.
- Holidays. Thank you to all the patrolling members and all Patrol Captains for their vigilance and service.
- Special thanks to our patrolling members who helped out neighbouring SLSCs in need.
- Thanks to SLSCC for the pamphlet on our Black Spot – Blue Bay. Well received within the community.
- Thank you to all the trainers, assessors and facilitators for their continued hard work.
- ART - 4 successful candidates
- Bronze - 18 successful candidates
- IRB Crew - 6 successful candidate
- SRC - 14 successful candidates
- Total Junior Membership 284 U6 - Cadets and 21 Stingray Nippers (inclusive program).
- Cadet numbers increased due to mix of fun factor and fitness and honing competition skills.
- All nippers educated in beach safety, sun safety, rescue methods, CPR demos, live marine creatures featured with FA principles introduced.
- Stingray Lifesaver Program (inclusive) introduced - 7 participants involved in more advanced surf sport and lifesaver training.

- Limited carnival attendance due to COVID.
- Thanks to dedicated JAC team who battled through COVID, rain, wind, tsunami and a visit from a large marine creature.
- Weekly fitness and skills training under guidance from a dedicated group of older bronze members. Youth members from this group going on to higher skills.
- With all the carnival cancellations due to COVID, rain, water quality there were scant results at local and State Carnivals for the 21/22 season.
- TBSLSC Masters continued their outstanding results at Australian Titles which were held in QLD.
- Toowoomb Bay Masters team came 18th in Australia at Aussies, 1st out of the Central Coast clubs and 9th out of NSW clubs.
- Challenging competition season due to COVID and conditions. Masters, Stingray (inclusive) and Juniors attended what local carnivals that went ahead and SLSCC Branch championships again achieving some excellent results.

## Umina

- Welcome to Rebecca Simonet came in to lead our Administration team.
- A focus for our team has to been to drive more digital activity such as registration renewals and communications.
- In an effort to be conscious of our carbon footprint we have moved to online collaboration tools.
- For meetings and printed a smaller number of annual reports primarily on requests, whilst making digital copies readily available.
- This was a year in which our Life Savers and volunteers rose to the many challenges presented to us to complete another successful season of keeping our beach safe.
- Over the Summer holidays, the beach experienced record numbers.
- As part of our emergency services call-out response, our members assisted with flood rescues and prevention. The remarkable efforts of Jarryd, Harold, Simon, Steven, and Kai are greatly appreciated.
- Our education department saw 26 new bronze members, 5 IRB Drivers and 8 members completing higher Silver Medallion qualifications.

- Our patrol captains and education team were able to utilise the times when beaches were closed later in the season due to water quality to upskill and develop members.
- Our Nippers program continued to see strong member numbers and our young members were eager to turn up each week.
- Thank you to this season's Junior Club Captains Kaizen and Lucy, who performed an excellent job.
- Our Rookie events are always a huge highlight for our Rookies and we had Julia, Lucy, Kelsey, Makaela, Bronte, Lily and Tristan participate at the Rookie Challenge at Toowoomb Bay.
- We were also able to conduct two youth trips, one to Bondi Beach, the other to the South Coast to allow some of our youth to gain experience in patrolling other beaches.
- Mollie Murphy was recognised at the Awards of Excellence for her work with Youth Engagement.
- For Surf Sports we started the season off with training restrictions, but with quick thinking and adaptation to training plans, our coaches continued training our competitors with staggered training times and smaller training groups.
- Not only did Covid try to hold us back but relentless rain and big swells constantly moving and even worse cancellations of carnivals, however, we were fortunate to be able to host a Masters / Seniors carnival at our own beach.
- We are extremely proud of the State and Aussies' results, with a total of 13 State medals and 6 Aussie medals.

## Wamberal

- We have achieved our primary objective of "No lives lost" at Wamberal Beach.
- Season highlights include our Nippers performances at the State Age Championships, and our three Aussie medallists Maya Abel, Noah Nakagawa and Keenan Whyte.
- Our rowing teams continued to grow, thanks to our dedicated sweep, Jason Vineburg which saw us take two teams to the various carnivals that included the Aussie titles.
- Our patrolling strength increased.
- Congratulations to Carl Nixy and his very organised and dedicated Nipper Committee who again had a standout year.
- Wamberal Whales. Thanks to Bronwyn and Matilda Maley and the huge group that turn up every Sunday to help these children.

# Our Members

# New Life Members

## **Gary Clarke** **New Life Member**

Garry's initial involvement within SLS was with nippers in 1991. Over the years, he has held numerous positions and was the branch delegate for the 'Board of Junior Activities' from 1994 to 2002. After his tenure on the junior board, he became Club President at Avoca. He spent a significant number of years coordinating junior branch and branch carnivals and was a surf sports official for many of these years.

He has been an influential member of SLSCC Branch Council for the 20 years of his club presidency. He is Avoca SLSC's longest serving president in their rich club history. He has been a Patrol Captain for the vast amount of his patrolling years. From the inception of SurfGuard in 2005, Garry has recorded 1,300 patrol hours. This figure would be closer to the 2,000 hour mark in total, as many of Garry's hours in the early years haven't been recorded. Garry is always available to fill in for Patrol Captains or when the club needs extra patrol members on the beach. Garry has been instrumental in organising and patrolling at struggling clubs when required with numerous days done at both The Entrance and North Entrance SLSC's.

In his first year of being a member, Garry attained his Training Officers Certificate, and continues to be a Trainer and Assessor. He conducts training courses for SRC, bronze, first aid and ARTC each year. As a teacher, it is evident that he thrives on teaching people, as he is involved in every course put through Avoca SLSC. Each year he works with schools, instructing teachers through their bronze medallions and completing their proficiencies. At a branch level, Garry has facilitated numerous courses including Silver Medallion Beach Management for members of all clubs across the Central Coast.

Garry has organized some major events for Avoca SLSC each year, including the Rocks-to-Rocks Swim, our Door Knock Appeal and Annual Golf Day.

He participates in these events, often doing countless hours, filling in gaps when we are short of numbers.

Garry works tirelessly preparing for the club presentation night, producing slide and video shows of our competitors along with ordering all the gifts and prizes for the members. Garry's love for Avoca and SLSCC is evident in the way he has conducted himself over the years.

*At the SLSCC Annual Genral Meeting held on Thursday 14th October 2021, three very deserving members received the distingusihed postion of SLSCC Life Member.*

*Welcome to our newest Life Members of Central Coast Surf Life Saving  
Garry Clarke, Brett Bewick & Beris Meldrum.*

His temperament when dealing with people and situations has held him in good esteem with our members and staff. He cares about people and it shows up in the effort he puts into making Avoca SLSC an enjoyable place for all our members.

Garry has contributed to the betterment of SLSCC in many ways. He has been actively involved with the introduction of the UAV service in 2019, completing volunteer patrols for SLSNSW with the UAV service.

Garry is highly regarded by his peers in Surf Life Saving and often his advice is sought from fellow club directors and staff.

As part of the Branch Council for 20 years Garry has been an amazing administrator, keeping abreast of the changing times with promoting new technology and has ensured Avoca is in good stead for years to come.

## **Brett Beswick**

### **New Life Member**

Brett has been a patrolling member in Surf Life Saving for over 30 years. Starting his career at the iconic Brett held a number of positions on lifesaving executive board including IRB Captain, Club Vice captain and Chief Instructor and in 1986/87 Brett was awarded Patrol captain of year. In 2001 he moved to Avoca SLSC where he has and continues to provide exceptional service to Avoca in Lifesaving.

In the beginning Brett was actively involved in the Avoca Beach Nippers as an age manager and Water Safety Captain for many years while his grew up within the program. Also at this time Brett continued to follow his passion and assist in various aspects of lifesaving at Avoca. It wasn't long till Brett was entrenched in the Surf Life Saving movement on the Central Coast and he was appointed as Central Coast Director of Lifesaving where he held this position for 10 years stepping down in 2019/20 season.

Over his tenure as Director of Lifesaving Brett oversaw various new initiatives and programs which have significantly enhanced lifesaving on the Central Coast. The programs include RWC teams, callout teams, implementation of Patrol Agreements for SLSNSW and UAVs to name a few. Alongside these initiative Brett continued to ensure all surf clubs were ready for the season ahead with gear and equipment inspections and ensuring all clubs had enough patrols to patrol the beach from October to April each season.

He has worked with the Central Coast Council to advocate for the organisation to maintain a strong working partnership.

Brett epitomizes what we are about in the movement and has dedicated his life to Surf Life Saving. He has contributed over 1,600 hours as a patrol person and this does not account for the many hours in roles as Director at Club, Branch and State level. His roles listed probably do not reflect all the duties he has undertaken.

Brett's contributions have been acknowledged in a number of areas. RWC Operator of The Year, Presidents Award and 2009-10, Volunteer of The Year at Branch. Brett has also been actively involved for many years in Club 13SURF as a callout team member, and involved winning several SLSNSW Rescue of month awards. Brett was also a member of the Branch Executive that won 5 SLSNSW Branch of the Year awards, over his 10 years as Director of Lifesaving SLSCC.

## **Beris Meldrum**

### **New Life Member**

Beris first joined Terrigal in 1989, and has been an iconic figure in Central Coast Surf Life Saving for decades. Whether running courses, serving as an official, assisting in many other ways at Carnivals or even helping with administrative tasks generally, Beris has always striven to build, nurture, and enhance Surf Lifesaving, especially in the general community.

The appearance of her cheerful reassuring figure cheerful reassuring figure has encouraged many a young Lifesaver in the sport and has added to the strength of the Central Coast as a branch.

Beris has been heavily involved in Education, training and officiating after she got her first SLS award over 25 years ago in 1994 (Radio, Resuscitation, Officials L1) and her first training awards in 1996 (Radio Instructor and Training Officer Resuscitation). In Education she has been an examiner since 2005, Age Manager Coordinator delivering courses prior to e-learning was available and assists in annual proficiencies each season. In Surf Sports Beris has been officiating since 1996 in various positions.

In 2020 she was awarded her 20 years Officiating Service Certificate. Beris also assisted in these other positions throughout the years, Lifesaving Equipment Manager, Membership and recognition committee, office administrator at the branch office, sat on the JLOTY Panel for 3 years and was part of the testing committee who brought in SurfGuard.

Beris has been an active volunteer for SLSCC for approximately 25 years. She has contributed across all areas of Surf Life Saving with sustained service in the areas of Education, Member Services and Officiating. This includes many years or Education and Member Services support back at the time when the SLSCC "Districts" model was in place and Beris was heavily involved in District 3 that included Wamberal, Terrigal and North Avoca.

# Awards of Excellence

**Committee's Report**

Your committee members submit the financial report of the association for the financial year ended 30 June 2022.

**Committee Member Names**

The names of committee members as at the date of this report are:

Stuart Harvey – President  
Simon Cusack – Director of Lifesaving  
Paul Duignan – Director of Education  
David Unger – Director of Surf Sports  
Darren Clarke – Director of Business Development  
Amy Fletcher – Director of Youth Activities  
Jon Harkness – Chief Executive Officer

**Principal Activities**

The principal activities of the association during the financial year were the managing, promoting and growing surf life saving on the Central Coast.

**Significant Changes**

No significant change in the nature of these activities occurred during the financial year.

**Operating Result**

The deficit from ordinary activities of the association for the financial year amounted to \$108,838 (2021 Surplus: \$164,246).

Signed in accordance with a resolution of the Members of the Committee.

President

Committee Member

Dated: 19th September 2022

**Independent Auditor's Declaration to the  
Members of Surf Life Saving Central Coast Incorporated**

We hereby declare that to the best of our knowledge and belief during the year ended 30 June 2022, there have been:

- (i) no contraventions of the auditor independence requirements as set out in the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the audit; and
- (ii) no contraventions of any applicable code of professional conduct in relation to the audit.

### Notes To The Financial Statements For The Financial Year Ended 30 June 2022

#### 1. Summary of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial reporting requirements of the *Associations Incorporation Act 2009*, the *Australian Charities and Not-for-profits Commission Act 2012*, the *Charitable Fundraising Act 1991* and associated regulations. The committee has determined that the association is not a reporting entity.

Surf Life Saving Central Coast Incorporated is an association registered under the *Associations Incorporations Act 2009* and domiciled in New South Wales.

The financial report, except for the cash flow information have been prepared on an accruals basis and are based on historic costs, modified, where applicable, by the measurement at fair value of selected financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

These are special purpose financial statements that have been prepared for the purpose of complying with the *Australian Charities and Not-for-profits Commissions Act 2012* and associated regulations. The Executive Committee have determined that the accounting policies adopted are appropriate to meet the needs of the members of the Surf Life Saving Central Coast Inc.

These financial statements have been prepared in accordance with the recognition and measurement requirements specified by the Australian Accounting Standards and Interpretations issued by the AASB and the disclosure requirements of AASB 101 'Presentation of Financial Statements'; AASB 107 'Statement of Cash Flows'; AASB 108 'Accounting Policies, Changes in Accounting Estimates and Errors'; AASB 1048 'Interpretations of Standards'; AASB 1054 'Australian Additional Disclosures' as appropriate for not-for-profit oriented entities.

#### Accounting Policies

##### Critical Accounting Estimates

The preparation of the financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the incorporated association's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 2.

##### Revenue

Revenue is recognised when it is probable that the economic benefit will flow to the company and the revenue can be reliably measured.

##### *Sale of goods*

Sale of goods revenue is recognised at the point of sale, which is when the customer takes receipt of the goods, the risks and rewards are transferred to the customer and there is a valid sales contract. Amounts disclosed as revenue are net of sales returns and discounts.

##### *Functions and Events*

Revenue from functions and events are recognised once the event is held and the has meet its obligations to provide an event, function or venue for the expressed purpose agreed with the parties.

##### *Grants and donations*

Grant and donation revenue is recognised in the statement of comprehensive income when the College obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the Association and the amount of the grant or donation can be measured reliability. If conditions are attached to the grant or donation which must be satisfied before it is eligible to receive the contribution, the recognition of the revenue will be deferred until those conditions are satisfied.

**Surf Life Saving Central Coast Incorporated**  
**ABN 67 048 543 118**

---

**Notes To The Financial Statements**  
**For The Financial Year Ended 30 June 2022**

**1. Summary of Significant Accounting Policies (continued)**

**Revenue (continued)**

*Interest*

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax (GST).

**Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

**Trade and Other Receivables**

Trade receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment. Trade receivables are generally due for settlement within 30 days.

Collectability of trade receivables is reviewed on an ongoing basis. Debts which are known to be uncollectable are written off by reducing the carrying amount directly. A provision for impairment of trade receivables is raised when there is objective evidence that the incorporated association will not be able to collect all amounts due according to the original terms of the receivables.

**Inventories**

Inventories are measured at the lower of cost and net realisable value.

**Financial Instruments**

*Recognition*

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the company commits itself to either purchase or sell the asset (i.e. trade date accounting is adopted). Financial instruments are initially measured at cost which includes transaction costs when the related contractual rights or obligations exist. Subsequent to initial recognition these instruments are measured as set out below.

*Financial assets*

Financial assets that are within the scope of the accounting standards are required to be subsequently measured at amortised or fair value on the basis of the company's business model for managing financial assets and the contractual cash flow characteristics of the financial assets. The company holds investment classified as financial asset at fair value through other comprehensive income. In adopting AASB9 Financial Instruments, the company has made an irrevocable election on initial recognition to present gains and losses on investments in equity instruments that are not held for trading in other comprehensive income. No further impairment of the financial assets at fair value through other comprehensive income will be recognised.

*Financial liabilities*

Non-derivative financial liabilities are recognised at amortised cost, comprising original debt less principal payments and amortisation.

Where there is an unconditional right to defer settlement of the liability for at least 12 months after the reporting date, the loans and borrowings are classified as non-current.

## ABN 67 048 543 118

### Notes To The Financial Statements For The Financial Year Ended 30 June 2022

#### 1. Summary of Significant Accounting Policies (continued)

##### Plant and Equipment / Surf Patrol Equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount and impairment losses are recognised in the profit or loss as revaluation decreases if the impairment losses relate to the revalued asset. A formal assessment of recoverable amount is made when impairment indicators are present.

##### Depreciation

The depreciable amount of all fixed assets, including buildings and capitalised improvements, plant and equipment and motor vehicles is depreciated on a straight-line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use.

The useful lives estimated for each class of depreciable asset are:

Buildings	20 years
Plant and Equipment	3-10 years
Motor Vehicles	5-8 years

The assets' residual values and useful lives are reviewed, and if appropriate, adjusted at the end of each reporting period.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These gains or losses are recognised in profit or loss in the period which they arise. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

##### Impairment of non-financial assets

Non-financial assets are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

##### Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the company during the reporting period that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

##### Provisions

Provisions are recognised for legal and constructive obligation as a result of a past event, it is probable the incorporated association will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Amount recognised is the best estimate of the consideration required to settle the obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation. If the time value of money is material, provisions are discounted using a current pre-tax rate specific to the liability. The increase in the provision resulting from the passage of time is recognised as a finance cost.

##### Employee Benefits

###### *Short-Term employee Benefits*

Liabilities for wages and salaries including non-monetary benefits, annual leave and long service leave expected to be settled within 12 months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled.

# Surf Life Saving Central Coast Incorporated

## ABN 67 048 543 118

---

### Notes To The Financial Statements For The Financial Year Ended 30 June 2022

#### 1. Summary of Significant Accounting Policies (continued)

##### Employee Benefits

###### *Other Long-Term Employee Benefits*

The liability for annual leave and long service leave not expected to be settled within 12 months of the reporting date are measured at the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and period of service. Expected future payments are discounted using market yields at the reporting date on national government bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.

##### Fair Value Measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and assumes that the transaction will take place either in the principal market or in the absence of a principal market, in the most advantageous market.

##### Goods and Services Tax

Revenues, expenses and assets recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included in other receivables or payables in the statement of financial position.

#### 2. Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumption that affect the reported amounts in the financial statements. Management continually evaluates its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below.

###### *Provision for impairment of receivables*

The level of provision is assessed by considering recent sales experience, the ageing of receivables, historical collection rates and specific knowledge of the individual debtor's financial position.

###### *Provision for impairment of inventories*

The provision is assessed by considering recent sales experience, the ageing of inventories and other factors affecting obsolescence.

###### *Estimation of useful lives of assets*

Estimated useful lives, related depreciation and amortisation charges for its property, plant and equipment could vary as a result of technical innovations or some other event and where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written down.

**Surf Life Saving Central Coast Incorporated**  
**ABN 67 048 543 118**

**Notes To The Financial Statements**  
**For The Financial Year Ended 30 June 2022**

**2. Summary of Significant Accounting Policies (continued)**

*Impairment of non-financial assets*

Impairment is assessed by evaluating conditions specific to the asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined.

*Employee benefits provision*

Liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all increases through promotion and inflation have been taken into account.

**Statement by Members of the Committee**

In the Committee's opinion:

- (i) the incorporated association is not a reporting entity because there are no users dependent on general purpose financial statements. Accordingly, as described in Note 1 to the financial statements, the attached special purpose financial statements have been prepared for the purposes of complying with the *Associations Incorporations Act 2009 (NSW)*, the *Australian Charities and Not-for-profits Commission Act 2012*, the *Charitable Fundraising Act 1991* and associated regulations;
- (ii) the attached financial statements and notes comply with the Australian Accounting Standards as described in Note 1 to the financial statements;
- (iii) the attached financial statements and notes comply with the requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the *Charitable Fundraising Act 1991*;
- (iv) the attached financial statements and notes give a true and fair view of the incorporated association's financial position as at 30 June 2022 and of its performance for the financial year ended on that date;
- (v) there are reasonable grounds to believe that the incorporated association will be able to pay its debts as and when they become due and payable;
- (vi) the financial statements give a true and fair view of all income and expenditure with respect to fundraising appeals; and
- (vii) the internal controls exercised by the incorporated association are appropriate and effective in accounting for all income received and applied by the incorporated association from all fundraising appeals.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President

Committee Member

Dated:

19th September 2022

## Independent Audit Report to the Members of Surf Life Saving Central Coast Incorporated

### Report on the Financial Report

#### Opinion

We have audited the accompanying financial report of Surf Life Saving Central Coast Inc. (the association), which comprises the statement of financial position as at 30 June 2022, statement of profit or loss & other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the committee Members' declaration.

In our opinion the financial report of Surf Life Saving Central Coast Inc. is in accordance with the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- a) giving a true and fair view of the Association's financial position as at 30 June 2022 and of its performance for the year ended on that date; and
- b) complying with Australian Accounting Standards to the extent described in Note 1 and the *Australian Charities and Not-for-profits Commission Regulation 2013*.
- c) the Charitable Fundraising Act 1991, including
  - (i) the financial report shows a true and fair view of the financial result of fundraising appeals for the year to which they relate; and
  - (ii) the financial report and associated records have been properly kept during the year in accordance with this Act and the regulations; and
  - (i) money received as a result of fundraising appeals conducted during the year has been properly accounted for and applied in accordance with this Act and the regulations; and
  - (ii) Surf Life Saving Central Coast Inc. is solvent, as it is able to pay its debts as and when they fall due.

We conducted our in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the *Audit of the Financial Report section of our report*. We are independent of the registered entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110: *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Emphasis of Matter

The financial report of Surf Life Saving Central Coast Incorporated is a special purpose financial report that has been prepared in accordance with the accounting policies described in Note 1 to the financial report.

Without modifying our opinion, we draw attention to Note 1 of the financial report, which describes the basis of accounting. The financial report has been prepared for distribution to members and Clubs for the purpose of fulfilling the Committees' financial reporting obligations. As a result, the financial report may not be suitable for another purpose.

#### Other Information

The Committee Members are responsible for the other information. The other information comprises the information included in the Association's annual report for the year ended 30 June 2022, but does not include the financial report or our auditor's report thereon.

## **Independent Audit Report to the Members of Surf Life Saving Central Coast Incorporated**

### **Other Information (cont'd)**

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears materially misstated.

If, based on the work performed, we conclude that there is a material misstatement of this other information, we are required to report on this fact. We have nothing to report in this regard.

### **Committee Members' Responsibility for the Financial Report**

The Committee Members of the Association are responsible for the preparation of the financial report that gives a true and fair view in accordance with the *Australian Charities and Not-for-profits Commission Act 2012* and accounting standards to the extent set out in Note 1 and for such internal control as the committee members determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report the Committee Members are responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable matters related to going concern and using the going concern basis of accounting unless the Committee Members either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The Committee Members are responsible for overseeing the Association's financial reporting process.

### **Auditor's Responsibility for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from Fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.
- Obtain an understanding of internal controls relevant to the audit in order to design the audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control.
- Evaluate the effectiveness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors

**Independent Audit Report to the Members  
of Surf Life Saving Central Coast Incorporated**

**Auditor's Responsibility for the Audit of the Financial Report (continued)**

- Conclude on the appropriateness of the Association's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient audit evidence regarding the financial information of the entities or business activities within the Association to express an opinion on the financial report. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any deficiencies in internal control that we identify during our audit.
